Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks.

Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications.

Safety Instruction Guide for the Brownells Gunsmith Replaceable Pin Punch Set

Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety instructions to ensure the safe and effective use of this tool. Please read and understand all safety information before using the product.

General Safety Guidelines

- Always use the tool in accordance with the instructions provided in this guide.
- Inspect the tool before each use to ensure it is in good working condition.
- Keep the tool out of reach of children and vulnerable individuals.
- Do not use the tool for purposes other than its intended use.
- Report any unsafe conditions or product defects to the relevant authorities.

Specific Safety Precautions for Use

- **Handling:**
 - Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the pin punch set.
 - Ensure a secure grip on the handle to prevent slipping during use.
- **Using Punch Tips:**
 - Ensure that the punch tips are securely fastened in the knurled chuck before use.
 - Do not attempt to use damaged or worn punch tips. Replace them immediately.
- **Work Area:**
 - Use the tool in a welllit and clean work environment to avoid accidents.
 - Keep the work area clear of clutter and obstacles.
- **Distraction:**
 - Avoid distractions while using the tool to maintain focus and prevent accidents.

Instructions for Installation and Usage

1. Installation of Punch Tips:

- Select the appropriate punch tip based on the pin size you are working with.
- Insert the selected punch tip into the knurled chuck of the handle.
- Turn the chuck clockwise to secure the punch tip firmly in place.

2. Using the Pin Punch:

- Position the punch tip over the pin you wish to remove or install.
- Apply a controlled force to the handle to drive the punch tip against the pin.
- Do not use excessive force, as this may damage the tool or cause injury.

3. Replacing Punch Tips:

- To replace a punch tip, unscrew the knurled chuck by turning it counterclockwise.
- Remove the old punch tip and insert a new one as per the installation instructions above.
- Ensure the new punch tip is securely fastened before use.

Disposal Instructions

- Dispose of any damaged or worn punch tips and handles according to local regulations for hazardous waste.
- Do not dispose of the tool in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support
