

BLACK ROLL PIN KIT - ROLL PIN REFILL 1/16" DIA., 1/4" (6.3MM) LENGTH 48 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT Safety Instructions

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed for various applications, including use in firearms and general workshop tasks. To ensure safe and effective use of the roll pins, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure that you are using the roll pins in a manner consistent with their intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling and installing roll pins.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the roll pins for signs of damage or wear before use. Do not use damaged pins.
- Follow all relevant local regulations and safety standards when using this product.

Specific Safety Precautions for Use

- When installing roll pins, ensure that the workpiece is secure to prevent movement during installation.
- Use Roll Pin Punches for safe and effective removal of roll pins. This tool helps to avoid damage to the roll pins and surrounding materials.
- Avoid excessive force when installing or removing roll pins to prevent injury or damage to the workpiece.
- If using the roll pins in firearms, ensure that the firearm is unloaded and safe before starting any work.
- Be aware of your surroundings and ensure that no one is in close proximity when using tools to install or remove roll pins.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the BLACK ROLL PIN KIT, Roll Pin Punches, and any additional tools required for your specific application.
- Ensure your workspace is clean and organized to minimize the risk of accidents.

2. Choosing the Right Pin:

- Select the appropriate roll pin size for your application. The BLACK ROLL PIN KIT includes various sizes:
 - 1/16" (1.6mm)
 - 5/64" (2mm)
 - 3/32" (2.4mm)
 - 1/8" (3.2mm)
 - 5/32" (4mm)
 - 3/16" (4.8mm)
 - 7/32" (5.6mm)
 - 1/4" (6.3mm)

3. Installation:

- Align the roll pin with the holes in the workpiece.
- Use the Roll Pin Punch to gently tap the roll pin into place. Start with light taps and gradually increase force if necessary.
- Ensure the pin is seated properly and flush with the surface of the workpiece.

4. Removal:

- To remove a roll pin, position the Roll Pin Punch over the pin and tap gently until the pin begins to move.
- Continue tapping until the pin is fully removed from the workpiece.

5. Cutting Pins:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools.
- Always wear safety goggles when cutting to protect your eyes from metal shavings.

Disposal Instructions

- Dispose of any damaged or unusable roll pins in accordance with local waste disposal regulations.
- Do not dispose of roll pins in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or support regarding the BLACK ROLL PIN KIT, please contact the manufacturer or your local distributor. Ensure that you have the product details at hand for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of the BLACK ROLL PIN KIT. Thank you for your attention to safety!
