

# BLACK ROLL PIN KIT - ROLL PIN REFILL 1/16" DIA., 3/8" (9.6MM) LENGTH 48 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

# BLACK ROLL PIN KIT ROLL PIN REFILL Safety Instructions

## Introduction

Thank you for choosing the BLACK ROLL PIN KIT ROLL PIN REFILL. This product is designed for use in various applications, including gunsmithing and general shop jobs. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the roll pins for damage before use. Do not use damaged pins.
- Store the roll pins in a cool, dry place to prevent corrosion or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when handling roll pins.
- Avoid placing your hands near the area where the roll pin is being installed or removed to prevent injury.
- Ensure that the work surface is stable and secure before using the roll pins.
- Use the Roll Pin Punches for safe and effective removal of roll pins.
- Do not force a roll pin into place; if resistance is felt, check for misalignment or obstruction.

## Instructions for Installation and Usage

### 1. Selecting the Right Pin:

- Choose the appropriate diameter and length of the roll pin needed for your application from the available assortment.

### 2. Installation:

- Align the roll pin with the holes of the components you are joining.
- Use a Roll Pin Punch to gently tap the roll pin into place. Ensure that it is straight and seated properly.
- Avoid using excessive force, which may damage the pin or the components.

### 3. Removal:

- To remove a roll pin, use the Roll Pin Punch to drive it out gently.
- Ensure that you are positioned safely and that your hands are away from the path of the punch.

### 4. Cutting Roll Pins:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools.
- Always wear PPE when cutting pins to protect against metal shards.

## Disposal Instructions

- Dispose of any damaged or unused roll pins in accordance with local regulations.

- Ensure that the pins are not accessible to children or pets during disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the BLACK ROLL PIN KIT ROLL PIN REFILL, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Stay safe and enjoy the benefits of your BLACK ROLL PIN KIT!
