

BLACK ROLL PIN KIT - BROWNELLS ROLL PIN REFILL 1/16" DIA., 1/2" (12.7MM) LENGTH 48 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

1/16" Dia., 1/2" (12.7mm) length Roll Pins, Qty 48

Safety Instruction Guide for BLACK ROLL PIN KIT BROWNELLS ROLL PIN REFILL 1/16" DIA., 1/2" (12.7MM) LENGTH 48 PACK

Introduction

Thank you for choosing the BLACK ROLL PIN KIT from BROWNELLS. This product is designed to assist you in various applications requiring roll pins. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully. It contains important information regarding safe handling, usage, and disposal of the roll pins.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of potential hazards associated with roll pins, including sharp edges and pin ejection.
- Always check for updates on recalls or safety alerts through the EU's Safety Gate platform.
- Use the product only for its intended purpose to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling roll pins.
- Inspect the roll pins for any visible damage or defects before use. Do not use damaged pins.
- Ensure that your work area is clean and free from clutter to prevent accidents.
- Use the correct tools for installation to avoid injury. A proper punch tool is recommended for inserting and removing roll pins.
- Avoid using excessive force when installing or removing roll pins to prevent injury or damage to the workpiece.
- If a roll pin becomes stuck, do not force it out. Instead, seek professional assistance or consult the manufacturer's guidelines.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a punch tool, hammer, and safety equipment.
- Select the appropriate size of roll pin for your application. The BLACK ROLL PIN KIT contains various sizes, including:
 - 1/16" (1.6mm)
 - 5/64" (2mm)
 - 3/32" (2.4mm)
 - 1/8" (3.2mm)
 - 5/32" (4mm)
 - 3/16" (4.8mm)
 - 7/32" (5.6mm)
 - 1/4" (6.3mm)

2. Installation:

- Align the roll pin with the holes in the workpiece.
- Place the roll pin into the hole.

- Using the punch tool, gently tap the roll pin into place with a hammer. Ensure the pin is seated evenly.
- Avoid striking the pin directly with the hammer; always use the punch tool to prevent damage.

3. Removal:

- To remove a roll pin, position the punch tool on the end of the pin.
- Tap the punch tool gently with a hammer until the pin starts to move.
- Continue to apply gentle pressure until the pin is fully removed.

Disposal Instructions

- Dispose of any unused or damaged roll pins in accordance with local regulations.
- Do not throw roll pins in regular household waste. Check with local waste management authorities for proper disposal methods.
- Ensure that all safety equipment used during the installation or removal process is also disposed of safely.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's website or customer service. Always ensure that you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with the BLACK ROLL PIN KIT. Thank you for your attention to safety and proper usage.
