

BLACK ROLL PIN KIT - ROLL PIN REFILL 1/16" DIA., 3/4" (19MM) LENGTH 48 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed for use in various applications, including gunsmithing and shop jobs. This safety instruction guide provides essential information to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the roll pins for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when using the roll pins, including safety glasses and gloves.
- Ensure that the work area is clean and free from hazards.
- Use the Roll Pin Punches for safe and positive removal of roll pins.
- Avoid using excessive force when installing or removing roll pins to prevent injury or damage.
- Do not use the roll pins if they show signs of damage or wear.
- Be cautious of sharp edges when handling the roll pins.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the BLACK ROLL PIN KIT and Roll Pin Punches.
- Ensure that the work surface is stable and welllit.

2. Installation:

- Select the appropriate size roll pin for your application.
- Align the roll pin with the holes in the components you are working with.
- Use the Roll Pin Punch to gently tap the roll pin into place. Ensure it is seated correctly without excessive force.

3. Removal:

- To remove a roll pin, position the Roll Pin Punch over the pin.
- Gently tap the punch with a hammer to drive the pin out. Ensure that you are positioned safely to avoid injury.

4. Cutting and Modifying:

- If necessary, roll pins can be cut to any length. Use appropriate cutting tools and safety precautions.
- If desired, roll pins can be blued or plated after cutting.

Disposal Instructions

- Dispose of any damaged or worn roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste. Instead, check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the BLACK ROLL PIN KIT, please reach out to your retailer or manufacturer directly. They can provide assistance and information on product safety.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
