

BLACK ROLL PIN KIT - ROLL PIN REFILL 5/64" DIA., 1/4" (6.3MM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed for various applications, including gunsmithing and general shop use. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the BLACK ROLL PIN KIT in accordance with these safety guidelines to minimize risks.
- Ensure that the work area is clean and welllit before starting any project.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling roll pins.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the kit for any damaged or worn pins before use.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

• Hazard Identification:

- Sharp edges: Roll pins can have sharp edges that may cause cuts.
- Pin removal: Improper use of tools when removing pins can lead to injuries.

• Avoiding Hazards:

- Always handle roll pins with care to prevent cuts or punctures.
- Use appropriate tools, such as Roll Pin Punches, for safe removal and installation.
- Do not attempt to force pins into place; ensure proper alignment before use.
- If you experience any difficulty during installation or removal, stop and reassess the situation.

• AgeSpecific Warnings:

- This product is not intended for use by children. Adult supervision is required if used in a workshop with minors.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure the work area is clean and free from distractions.

2. Installation of Roll Pins:

- Select the appropriate size roll pin for your project.
- Align the roll pin with the hole where it will be installed.
- Use a Roll Pin Punch to gently tap the pin into place, ensuring it is straight and fully seated.

3. Removal of Roll Pins:

- Use the Roll Pin Punch to apply steady pressure on the pin.
- Gently tap the punch until the pin is free from the hole.

- Be cautious of any sudden movement or release of tension.

4. Cutting Roll Pins:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools.
- Ensure the pin is secured before cutting to avoid injury.

Disposal Instructions

- Dispose of any damaged or worn roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste. Instead, use designated recycling or hazardous waste facilities if applicable.

Contact Information for Further Support

For any inquiries regarding the BLACK ROLL PIN KIT, please refer to the manufacturer's contact information provided in the product packaging. It is important to have access to support for any safety concerns or productrelated questions.

By following these safety instructions, you can ensure a safe and effective experience with the BLACK ROLL PIN KIT. Always prioritize safety when working with tools and materials. Thank you for your attention to these important guidelines.
