

# BLACK ROLL PIN KIT - ROLL PIN REFILL 5/64" DIA., 1" (2.5CM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

# BLACK ROLL PIN KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed to provide a reliable assortment of roll pins for various applications, including gunsmithing and general shop tasks. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the roll pins for any damage before use. Do not use damaged pins.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and installing roll pins.
- Be aware of your surroundings and ensure that the workspace is clean and free from hazards.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the roll pins are the correct size for your application to avoid damage to components.
- Avoid using excessive force when installing or removing roll pins to prevent injury or damage.
- Use Roll Pin Punches to safely and effectively remove roll pins. Follow the instructions for the punch tool carefully.
- Do not attempt to modify or alter the roll pins in any way.
- Store the roll pins in a dry place to prevent rust and deterioration.
- If you experience any discomfort or injury while using the product, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including Roll Pin Punches and any other tools required for your specific application.
- Ensure your work area is clean and welllit.

### 2. Selecting the Right Pin:

- Choose the appropriate roll pin based on the diameter and length required for your project.
- Refer to the specifications provided in the product details for guidance.

### 3. Installation:

- Align the roll pin with the holes in the components you are working with.
- Use a Roll Pin Punch to gently tap the roll pin into place. Start slowly to ensure proper alignment.
- Continue tapping until the roll pin is fully seated.

### 4. Removal:

- To remove a roll pin, place the Roll Pin Punch over the pin and gently tap it out.
- Ensure that you are positioned safely to avoid injury from flying debris.

### 5. PostInstallation:

- After installation or removal, inspect the area to ensure that no debris or tools are left behind.

- Store any unused roll pins in their original packaging to protect them from damage.

## **Disposal Instructions**

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste if they are considered hazardous materials.
- If unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries regarding the BLACK ROLL PIN KIT or to report safety concerns, please reach out to the appropriate EUbased contact point for assistance.

Thank you for your attention to these safety instructions. We hope you enjoy using your BLACK ROLL PIN KIT safely and effectively!
