

# BLACK ROLL PIN KIT - ROLL PIN REFILL 5/64" DIA., 3/8" (9.6MM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

# BLACK ROLL PIN KIT ROLL PIN REFILL Safety Instruction Guide

## Introduction

Thank you for choosing the BLACK ROLL PIN KIT ROLL PIN REFILL. This product is designed to meet your needs for various applications, including gun assembly and repair, as well as general workshop tasks. To ensure safe and effective use, please read this safety instruction guide thoroughly.

## General Safety Guidelines

- Ensure that you are using the roll pins for their intended purpose.
- Always inspect the roll pins for any damage before use.
- Keep the roll pins out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling or installing roll pins.
- Be aware of your surroundings and ensure a safe working environment when using tools.

## Specific Safety Precautions for Use

- Handle the roll pins carefully to avoid injury from sharp edges.
- Do not use roll pins that show signs of wear or damage.
- When using tools, ensure they are in good condition and appropriate for the task.
- Use Roll Pin Punches for safe and effective removal of roll pins.
- Avoid excessive force when installing or removing roll pins to prevent damage or injury.

## Instructions for Installation and Usage

### • Preparation:

- Gather all necessary tools, including Roll Pin Punches, and ensure your workspace is clean and organized.

### • Installation:

- Select the appropriate size roll pin for your application.
- Align the roll pin with the hole where it will be installed.
- Use the Roll Pin Punch to gently tap the roll pin into place, ensuring it is seated properly.

### • Removal:

- To remove a roll pin, place the Roll Pin Punch at the end of the pin.
- Gently tap the punch with a hammer to push the roll pin out.
- Ensure that the area is clear of obstructions and that you are using the correct punch size.

### • Cutting:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools. Ensure you follow safety guidelines when cutting.

## Disposal Instructions

- Dispose of damaged or unused roll pins responsibly.

- Follow local regulations for metal recycling or disposal.
- Do not dispose of roll pins in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the BLACK ROLL PIN KIT ROLL PIN REFILL, please refer to your retailer or the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and effective experience with the BLACK ROLL PIN KIT ROLL PIN REFILL. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important guidelines.
