

BLACK ROLL PIN KIT - BROWNELLS ROLL PIN REFILL 5/64" DIA., 1/2" (12.7MM) LENGTH 36 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

5/64" Dia., 1/2" (12.7mm) length Roll Pins, Qty 36

BLACK ROLL PIN KIT BROWNELLS ROLL PIN REFILL Safety Instructions

Introduction

Thank you for choosing the BLACK ROLL PIN KIT BROWNELLS ROLL PIN REFILL. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully to understand the safety guidelines and how to use the roll pins effectively.

General Safety Guidelines

- Always use the roll pins according to the manufacturer's instructions to avoid accidents.
- Keep the roll pins out of reach of children to prevent choking hazards.
- Inspect the roll pins before use. Do not use any pins that are damaged or deformed.
- Ensure that your working area is clean and free of any hazards to prevent accidents during use.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling and installing roll pins.

Specific Safety Precautions for Use

- Do not use the roll pins for any purpose other than their intended use.
- Avoid using excessive force when installing roll pins to prevent injury or damage to the workpiece.
- Ensure that you are using the correct size of roll pin for your application to avoid improper fitting.
- If you experience any difficulty during installation, stop and assess the situation before proceeding.
- Keep your fingers and other body parts clear of the pin's path during installation to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before beginning the installation.
- Ensure that the workpiece is stable and secure.

2. Selecting the Correct Roll Pin:

- Choose the appropriate size of roll pin based on your requirements. This kit includes:
 - 1/16" (1.6mm) diameter pins
 - 5/64" (2mm) diameter pins
 - 3/32" (2.4mm) diameter pins
 - 1/8" (3.2mm) diameter pins
 - 5/32" (2mm) diameter pins
 - 3/16" (4.8mm) diameter pins
 - 7/32" (5.6mm) diameter pins
 - 1/4" (6.3mm) diameter pins

3. Installation Steps:

- Align the roll pin with the hole in the workpiece.
- Using a suitable tool (e.g., hammer or punch), gently tap the roll pin into place.
- Ensure that the pin is seated properly and flush with the surface of the workpiece.
- Do not strike the roll pin excessively hard, as this may cause damage.

4. PostInstallation:

- Inspect the installation to ensure the roll pin is secure.
- Clean the work area and dispose of any debris safely.

Disposal Instructions

- Dispose of any damaged or unused roll pins in accordance with local waste disposal regulations.
- Do not dispose of roll pins in household waste if they are considered hazardous materials in your area.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the BLACK ROLL PIN KIT BROWNELLS ROLL PIN REFILL. Always prioritize safety and consult this guide whenever you need assistance. Thank you for your attention to these important safety guidelines.
