

BLACK ROLL PIN KIT - ROLL PIN REFILL 5/64" DIA., 3/4" (19MM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BLACK ROLL PIN KIT ROLL PIN REFILL 5/64" DIA., 3/4" (19MM) LENGTH 36 PACK. This product is designed to provide a reliable solution for your roll pin needs in various applications, including gunsmithing and general shop tasks. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle roll pins with care to prevent injury.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the pins for any damage before use.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling and installing roll pins.
- Ensure your workspace is clean and organized to minimize the risk of accidents.
- Report any unsafe products or accidents to your local authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Sharp edges: Roll pins may have sharp edges that can cause cuts.
- Pin insertion: Improper insertion may lead to pin breakage or injury.
- Tool usage: Using incorrect tools can lead to accidents.

• Avoiding Hazards:

- Always use the recommended Roll Pin Punches for installation and removal.
- Do not force pins into place; ensure they are aligned properly.
- If a pin does not fit, do not attempt to modify it. Instead, select a different size.
- Keep fingers and hands away from the area where the pin is being inserted or removed.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the Roll Pin Punches and a hammer.
- Select the appropriate size roll pin for your application.

2. Installation:

- Align the roll pin with the hole where it will be inserted.
- Using the Roll Pin Punch, gently tap the pin into place with a hammer.
- Ensure the pin is seated fully and securely.

3. Removal:

- To remove a roll pin, use the Roll Pin Punch to push the pin out gently.
- Ensure that the area is clear of obstructions to avoid injury.

4. PostInstallation:

- Inspect the installation to ensure the pin is secure and does not protrude excessively.
- Store any unused pins in a safe location, away from children.

Disposal Instructions

- Dispose of any damaged or unused roll pins in accordance with local regulations.
- Do not discard pins in regular household waste; check for recycling options.
- Ensure that all waste is kept out of reach of children.

Contact Information for Further Support

For any safety inquiries or additional support regarding the BLACK ROLL PIN KIT, please refer to the product packaging for contact information.

Thank you for prioritizing safety while using the BLACK ROLL PIN KIT. Your adherence to these guidelines will help ensure a safe and effective experience.
