

# BLACK ROLL PIN KIT - ROLL PIN REFILL 1/8" DIA., 3/8" (9.6MM) LENGTH 24 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

# BLACK ROLL PIN KIT ROLL PIN REFILL SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BLACK ROLL PIN KIT ROLL PIN REFILL. This product is designed for a variety of applications, including use in firearms, jigs, fixtures, and other shop jobs. To ensure your safety and the safety of others while using this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not use if the product is damaged or if you are unsure of its condition.
- Follow all safety instructions provided in this guide to avoid potential hazards.

## Specific Safety Precautions for Use

- When using roll pins, wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Ensure that your work area is clean and free of hazards.
- Use the Roll Pin Punches to safely remove pins; do not use excessive force.
- Be cautious of sharp edges when handling pins.
- Avoid working in wet or damp conditions to prevent slippage and accidents.
- Do not attempt to modify the pins; use them only as intended.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including Roll Pin Punches and a hammer.
- Ensure that your work surface is stable and secure.

### 2. Installation:

- Select the appropriate diameter and length of roll pin for your application.
- Align the roll pin with the hole where it will be installed.
- Gently tap the roll pin into place using the Roll Pin Punch and hammer. Ensure it is seated properly.

### 3. Removal:

- To remove a roll pin, place the Roll Pin Punch over the pin head.
- Gently tap the punch with a hammer to push the pin out.
- Do not apply excessive force, as this may cause damage to the surrounding material.

### 4. Cutting Pins:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools.
- Ensure that you wear PPE when cutting to avoid injury.

## **Disposal Instructions**

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Recycle packaging materials where applicable.
- Do not dispose of roll pins in a manner that may pose hazards to the environment or public safety.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BLACK ROLL PIN KIT ROLL PIN REFILL, please contact the manufacturer or refer to the product packaging for further guidance.

By following these safety instructions, you can ensure safe and effective use of the BLACK ROLL PIN KIT ROLL PIN REFILL. Please keep this guide for future reference and share it with others who may use this product. Thank you for your attention to safety.
