

BLACK ROLL PIN KIT - ROLL PIN REFILL 5/32" DIA., 1" (2.5CM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed to provide a reliable assortment of roll pins for various applications, including gunsmithing and general shop tasks. This safety instruction guide aims to ensure the safe use of this product in accordance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the BLACK ROLL PIN KIT.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the roll pins for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling roll pins.
- Use the Roll Pin Punches for safe and effective removal of roll pins to avoid injury.
- Do not use damaged or worn roll pins, as they may break during use and cause injury.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Avoid using excessive force when installing or removing roll pins to prevent damage to the pins or surrounding materials.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the BLACK ROLL PIN KIT and Roll Pin Punches.
- Ensure your work area is welllit and free from distractions.

2. Selecting the Right Pin:

- Choose the appropriate diameter and length of roll pin based on your specific application. Refer to the product specifications for available sizes.

3. Installation:

- Align the roll pin with the holes in the materials you are working with.
- Use the Roll Pin Punch to gently tap the roll pin into place. Ensure it is seated correctly without excessive force.

4. Removal:

- To remove a roll pin, position the Roll Pin Punch over the pin and gently tap it out. Ensure you have a firm grip on the workpiece to prevent movement.

5. Cutting Pins:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools. Ensure you wear PPE during this process.

6. After Use:

- Store the roll pins in a dry, safe location away from children and pets.
- Regularly check the storage area for any signs of damage or wear.

Disposal Instructions

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Ensure that all waste is disposed of in a manner that does not pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the BLACK ROLL PIN KIT, please refer to the manufacturer's contact information included with the product packaging. Ensure you have the product details handy when seeking assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
