

BLACK ROLL PIN KIT - BROWNELLS ROLL PIN REFILL 5/32" DIA., 1-1/4" (3.2CM) LENGTH 36 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

5/32" Dia., 1-1/4" (3.2cm) length Roll Pins, Qty 36

Safety Instruction Guide for BLACK ROLL PIN KIT

Introduction

Thank you for choosing the BLACK ROLL PIN KIT by BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of the roll pins included in this kit. Please read this guide carefully before use to avoid accidents and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle tools and components with care to prevent injury.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling roll pins.
- Regularly inspect the roll pins for any signs of damage or wear before use.
- Dispose of any damaged or unusable roll pins properly.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Sharp edges on roll pins can cause cuts or puncture wounds.
- Improper use of roll pins can lead to equipment failure or personal injury.

- **Avoiding Hazards:**

- Always use the appropriate size roll pin for your application.
- Do not use roll pins for purposes other than their intended use.
- Ensure that the roll pins are inserted correctly to avoid breakage or failure.
- Avoid using excessive force when inserting or removing roll pins.

- **Age Specific Warnings:**

- This product is not suitable for children under 14 years of age.
- Adult supervision is required for users under 18 years of age.

Instructions for Installation and Usage

- **Preparation:**

- Gather all necessary tools and materials before starting.
- Ensure that the work area is well lit and organized.

- **Installation Steps:**

1. Select the appropriate roll pin size for your application.
2. Align the roll pin with the holes or slots where it will be installed.
3. Gently tap the roll pin into place using a hammer or punch tool. Ensure that it is seated evenly.
4. Confirm that the roll pin is securely in place and not protruding excessively.

- **Usage Tips:**

- If you encounter resistance while inserting a roll pin, stop and verify alignment.

- Use a lubricant if necessary to ease the installation of the roll pin.
- For removal, use a punch tool to push the roll pin out gently.

Disposal Instructions

- Dispose of any unused or damaged roll pins in accordance with local waste disposal regulations.
- Do not dispose of roll pins in regular household waste if they are sharp or hazardous.
- Consider recycling options where available.

Contact Information for Further Support

For safety inquiries or further assistance regarding the BLACK ROLL PIN KIT, please reach out to the manufacturer or your point of purchase for support.

By following these safety instructions, you can ensure a safe and effective experience with your BLACK ROLL PIN KIT. Thank you for your attention to these important guidelines.
