

BLACK ROLL PIN KIT - ROLL PIN REFILL 5/32" DIA., 3/4" (19MM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT ROLL PIN REFILL 5/32" DIA., 3/4" (19MM) LENGTH 36 PACK Safety Instruction Guide

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed to provide a reliable solution for various applications, including gunsmithing and general shop tasks. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep this product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling roll pins.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Store the product in a dry and secure location to prevent accidents.

Specific Safety Precautions for Use

- Use the Roll Pin Punches for safe and effective removal of roll pins.
- When cutting roll pins to length, use appropriate tools and follow safety practices to avoid injury.
- Avoid using excessive force when installing or removing roll pins to prevent breakage.
- Ensure that the workpiece is secure and stable before beginning any task involving roll pins.
- Be cautious of sharp edges when handling cut roll pins, as they may cause injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including Roll Pin Punches and appropriate cutting tools.
- Ensure that your work area is clean and free from hazards.

2. Installation of Roll Pins

- Align the roll pin with the hole in the workpiece.
- Gently tap the roll pin into place using a hammer and Roll Pin Punch until it is securely seated.
- Avoid excessive force, as this may damage the pin or the workpiece.

3. Removal of Roll Pins

- Use the Roll Pin Punch to carefully drive the roll pin out of the hole.
- Ensure that the workpiece is stable to prevent movement during removal.
- If the pin is stuck, apply a small amount of penetrating oil and allow it to sit for a few minutes before attempting removal again.

4. Cutting Roll Pins

- Measure the desired length and mark the roll pin accordingly.
- Use appropriate cutting tools to cut the roll pin to the marked length.
- Smooth any sharp edges using a file or grinder to prevent injury.

Disposal Instructions

- Dispose of any unused or damaged roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste if they can be recycled.
- Ensure that cut roll pins or any sharp objects are disposed of safely to prevent injury to waste handlers.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the BLACK ROLL PIN KIT, please refer to the product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure the safe and effective use of the BLACK ROLL PIN KIT. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
