

BLACK ROLL PIN KIT - ROLL PIN REFILL 3/16" DIA., 1" (2.5CM) LENGTH 12 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the BLACK ROLL PIN KIT. This product is designed for various applications, including gunsmithing and general shop work. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are using the BLACK ROLL PIN KIT in a safe environment, free from distractions and hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Be aware of your surroundings and ensure that others are at a safe distance while you work.
- Regularly inspect the roll pins for any signs of wear or damage before use.
- If you notice any defects or issues with the roll pins, discontinue use immediately and contact your supplier.

Specific Safety Precautions for Use

- Only use the roll pins for their intended purpose. Misuse can lead to injury or damage.
- When using the Roll Pin Punches, ensure that they are compatible with the roll pins you are working with.
- Avoid using excessive force when installing or removing roll pins to prevent injury or damage to the workpiece.
- Do not attempt to modify or alter the roll pins or punches in any way.
- If you are unsure about how to use the product safely, seek guidance from a knowledgeable individual or consult the manufacturer's instructions.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the BLACK ROLL PIN KIT and Roll Pin Punches.
- Ensure that your work area is clean and organized.

2. Installation:

- Select the appropriate roll pin based on your application.
- Align the roll pin with the hole in your workpiece.
- Use the Roll Pin Punch to gently tap the roll pin into place, ensuring it is seated properly.

3. Removal:

- To remove a roll pin, align the Roll Pin Punch with the center of the pin.
- Gently tap the punch to drive the pin out, taking care not to damage the workpiece.

4. Cutting Pins:

- If you need to cut a roll pin to a specific length, use appropriate cutting tools.
- Ensure that the cut is clean and deburred to avoid sharp edges.

Disposal Instructions

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste. Check for any recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's contact information provided with your product packaging. It is essential to have access to professional guidance for any questions or concerns.

By following these safety instructions, you can ensure a safe and effective experience with your BLACK ROLL PIN KIT. Thank you for your attention to safety, and happy working!
