

BLACK ROLL PIN KIT - BROWNELLS ROLL PIN REFILL 3/16" DIA., 1/2" (12.7MM) LENGTH 12 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

3/16" Dia., 1/2" (12.7mm) length Roll Pins, Qty 12

Safety Instruction Guide for BLACK ROLL PIN KIT BROWNELLS ROLL PIN REFILL 3/16" DIA., 1/2" (12.7MM) LENGTH 12 PACK

Introduction

Thank you for choosing the BLACK ROLL PIN KIT from BROWNELLS. This product is designed to provide reliable performance for various applications. To ensure your safety and the safety of others, please read and follow the instructions and guidelines outlined in this manual carefully.

General Safety Guidelines

- Always handle roll pins with care to avoid injury.
- Keep the product out of reach of children and pets.
- Inspect the roll pins for any signs of damage before use.
- Do not use roll pins for unintended purposes.
- Ensure that your working area is clean and free from hazards.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, during use.

Specific Safety Precautions for Use

- Ensure that the diameter of the roll pin matches the intended application to prevent breakage or improper fit.
- Use the correct tools for installation and removal to avoid damaging the roll pins or surrounding components.
- Avoid excessive force when installing roll pins; this can cause them to bend or break.
- If a roll pin becomes stuck, do not attempt to force it out. Instead, seek assistance or use appropriate tools to remove it safely.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools, including a hammer and a punch tool suitable for the diameter of the roll pin.
- Ensure that the work surface is stable and secure.

2. Installation:

- Align the roll pin with the hole where it will be installed.
- Use the punch tool to gently tap the roll pin into place, ensuring it is straight and fully seated.
- Avoid hitting the roll pin too hard, as this can lead to deformation.

3. Removal:

- To remove a roll pin, align the punch tool with the center of the roll pin.
- Gently tap the punch tool with a hammer to push the roll pin out.
- If the roll pin is difficult to remove, apply a penetrating lubricant and allow it to sit for a few minutes before attempting removal again.

Disposal Instructions

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste if they contain hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the BLACK ROLL PIN KIT, please refer to the contact information provided by the retailer or manufacturer.

Conclusion

Your safety is our priority. By following the guidelines and instructions outlined in this manual, you can ensure safe and effective use of the BLACK ROLL PIN KIT. Always stay informed about product recalls and safety updates through official channels to maintain a safe working environment. Thank you for choosing our product.
