

# **BLACK ROLL PIN KIT - ROLL PIN REFILL 3/16" DIA., 3/4" (19MM) LENGTH 12 PACK**

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## **Growing Popularity Demands You Have This Convenient Assortment**

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

# BLACK ROLL PIN KIT ROLL PIN REFILL Safety Instruction Guide

## Introduction

Thank you for choosing the BLACK ROLL PIN KIT ROLL PIN REFILL. This product is designed to meet your needs for roll pins in various applications, including gunsmithing and general shop use. To ensure your safety and the effective use of this product, please read this safety instruction guide thoroughly.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the roll pins for any damage or defects before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the roll pins.
- If you experience any discomfort or injury while using the product, discontinue use immediately and seek medical attention if necessary.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the Roll Pin Punches for safe and effective removal of roll pins.
- Avoid using excessive force when inserting or removing roll pins to prevent injury or damage.
- Do not modify the roll pins in any way, including cutting or altering their structure, unless following proper guidelines.
- Always wear safety glasses to protect your eyes from flying debris when using tools in conjunction with roll pins.
- Ensure that your workspace is clean and free from hazards to prevent slips and falls.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the Roll Pin Punches, and ensure your workspace is organized.
- Select the appropriate size roll pin based on your application needs.

### 2. Installation:

- Align the roll pin with the hole in the workpiece.
- Use the Roll Pin Punch to carefully drive the roll pin into place. Ensure that the punch is perpendicular to the workpiece to avoid misalignment.
- Do not strike the punch too hard; apply steady, controlled force.

### 3. Removal:

- To remove a roll pin, use the Roll Pin Punch to gently tap the pin out of the hole.
- Ensure that you are supporting the workpiece adequately to prevent damage during removal.

### 4. Cutting:

- If you need to cut the roll pin to a specific length, use appropriate cutting tools.
- Always wear safety glasses when cutting to protect your eyes from metal shavings.

## **Disposal Instructions**

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Recycle materials where possible. Check with local recycling facilities for guidelines on metal disposal.

## **Contact Information for Further Support**

For any inquiries regarding the safety, usage, or disposal of the BLACK ROLL PIN KIT ROLL PIN REFILL, please refer to the manufacturer's contact information provided on the packaging or product insert.

By following these guidelines, you can ensure a safe and effective experience with your BLACK ROLL PIN KIT ROLL PIN REFILL. Thank you for your attention to safety!
