

BLACK ROLL PIN KIT - BROWNELLS ROLL PIN REFILL 7/32" DIA., 1-1/4" (3.2CM) LENGTH 12 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

7/32" Dia., 1-1/4" (3.2cm) length Roll Pins, Qty 12

BLACK ROLL PIN KIT BROWNELLS ROLL PIN REFILL 7/32" DIA., 11/4" (3.2CM) LENGTH 12 PACK Consumer Safety Instruction Guide

Introduction

Thank you for choosing the BLACK ROLL PIN KIT by BROWNELLS. This product is designed to assist in various assembly and repair tasks. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use in nonfood applications. Always ensure that you are using the product as intended.
- **Enhanced Recalls:** Stay informed about potential recalls. If a recall is issued, follow the instructions provided for a remedy.
- **Online Shopping:** If you purchased this product online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact provided by the seller.
- **Rapid Alerts:** Be aware of updates regarding product safety through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always wear safety goggles when using roll pins to protect your eyes from flying debris.
- **Use Appropriate Tools:** Ensure you are using the correct tools for installation to avoid injury or damage to the pins.
- **Check for Damage:** Before use, inspect the roll pins for any signs of damage or defects. Do not use damaged pins.
- **Proper Handling:** Handle the roll pins with care to avoid injury. Sharp edges may cause cuts.
- **Work in a Safe Environment:** Ensure your workspace is clean and free from hazards to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your workspace is well-lit and organized.

2. Installation:

- Select the appropriate roll pin size for your task (7/32" diameter in this case).
- Align the roll pin with the hole where it will be installed.
- Use a suitable tool, such as a pin punch or hammer, to gently drive the roll pin into place. Ensure it is seated properly.

3. Usage:

- Use the roll pins as intended for securing components in assembly or repair.

- Do not exceed the recommended load limits for the pins.

4. PostInstallation:

- Check that the roll pin is securely in place.
- Clean up any debris from the installation process.

Disposal Instructions

- Dispose of any unused or damaged roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste if they are hazardous. Check local guidelines for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BLACK ROLL PIN KIT, please contact the seller or refer to the product's packaging for specific contact details.

By following these guidelines, you can ensure the safe use of the BLACK ROLL PIN KIT and contribute to a safer working environment. Thank you for your attention to safety!
