

# BLACK ROLL PIN KIT - ROLL PIN REFILL 1/4" DIA., 3/4" (19MM) LENGTH 6 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

# BLACK ROLL PIN KIT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the BLACK ROLL PIN KIT. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before using the roll pins.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the roll pins out of reach of children and vulnerable individuals.
- Regularly inspect the roll pins for any signs of damage or wear before use.
- If you notice any defects, do not use the roll pins and dispose of them properly.
- Follow all local regulations regarding the use and disposal of metal products.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when handling and using roll pins.
- Ensure that your work area is clean and free of hazards to prevent accidents.
- Use the Roll Pin Punches for safe and effective removal of roll pins.
- Avoid using excessive force when installing or removing roll pins to prevent injury or damage to the workpiece.
- Do not modify the roll pins in any way, as this may compromise their integrity and safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment, including the roll pins and Roll Pin Punches.
- Ensure that the work area is welllit and organized.

### 2. Installation:

- Align the roll pin with the hole in the workpiece where it will be installed.
- Use the Roll Pin Punch to gently tap the roll pin into place. Ensure that it is fully seated without excessive force.
- Check that the roll pin is secure and does not protrude beyond the surface of the workpiece.

### 3. Removal:

- To remove a roll pin, position the Roll Pin Punch at the end of the pin.
- Gently tap the punch with a hammer to drive the roll pin out. Do not apply excessive force.
- Inspect the roll pin for any damage after removal. Dispose of any damaged pins properly.

## Disposal Instructions

- Dispose of any unused or damaged roll pins in accordance with local regulations for metal waste.
- Do not dispose of roll pins in regular household waste. Check with your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BLACK ROLL PIN KIT, please contact the manufacturer or your local distributor. Ensure that you have the product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with the BLACK ROLL PIN KIT. Thank you for your attention to safety and compliance.
