# SHOP SWABS 40 PACK Safety Instruction Guide

## Introduction

Thank you for choosing the SHOP SWABS 40 PACK. This product is designed for various applications, including cleaning and flooding on cold blues. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this instruction guide. Your understanding of these safety instructions is essential for a safe and effective experience.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use for any signs of damage or defects.
- Do not use if the product is damaged or shows signs of wear.
- Store the product in a cool, dry place, away from direct sunlight.
- Report any unsafe products or accidents to relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use in wellventilated areas to avoid inhalation of any fumes or vapors.
- Avoid contact with skin and eyes; use protective gloves and eyewear if necessary.
- Do not ingest or apply the product to sensitive areas.
- Ensure that the product is used away from open flames or sources of ignition.
- Follow all manufacturer instructions for the specific application of the swabs.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and ensure your workspace is clean and organized.
- Read all instructions carefully before beginning.

### 2. Using the Swabs:

- Hold the swab by the wire handle for better control.
- Dip the swab into the desired solution or substance.
- Apply the swab gently to the surface or area you are working on.
- For flooding applications, use a light, even pressure to distribute the solution.

### 3. PostUse:

- Dispose of used swabs in accordance with local waste disposal regulations.
- Clean your workspace and any tools used during the application.

## Disposal Instructions

- Dispose of used swabs in accordance with local regulations for hazardous waste.
- Do not dispose of swabs in regular household waste if they have been in contact with harmful substances.
- Always check local guidelines for the proper disposal of cleaning materials.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the SHOP SWABS 40 PACK, please refer to the product packaging for contact details of the manufacturer or authorized distributor. Ensure you have the product information ready for quicker assistance.

By following these safety instructions, you can ensure a safe and effective experience with the SHOP SWABS 40 PACK. Thank you for your attention to these important guidelines.
