# Safety Instruction Guide for HEX PLUG SCREWS BROWNELLS 840 X .130"

## Introduction

Thank you for choosing the HEX PLUG SCREWS from BROWNELLS. This guide provides essential safety instructions to ensure the proper and safe use of the product. Please read this guide carefully before installation or use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to fill empty sight and scope mounting holes on firearms.
- Always inspect the screws for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when handling tools and screws.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Do not overtighten screws, as this may damage the mounting holes or the screws themselves.
- Use the correct size hex tool to avoid stripping the screw head.
- If you experience difficulty during installation, do not force the screws; seek assistance if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and safe.
- Gather the necessary tools, including a hex wrench compatible with the screw size.

### 2. Installation:

- Identify the empty sight or scope mounting holes on your firearm.
- Align the screw with the hole and insert it carefully.
- Using the hex wrench, turn the screw clockwise until it is snug. Do not overtighten.
- Repeat the process for all screws as needed.

### 3. PostInstallation:

- Inspect the installed screws to ensure they are secure.
- Check that there are no obstructions or loose parts around the installed screws.

## Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local waste disposal regulations.
- Do not dispose of screws in regular household waste if they are deemed hazardous.
