

# SIGHT BASE SCREW KIT - BROWNELLS 6-48X3/16" WEAVER OVAL SIGHT BASE SCREW REFILL 12 PACK

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

## Slotted-Head Screws For All Scope & Sight Mounting Jobs

This Kit has been extremely popular with our customers for many years. The gunsmiths and dealers who do any type of sight work have found that they do not like to be without it. The slotted-head screws included in the kit cover at least 99% of all scope and iron sight mounting requirements. The Screw Kit is packed in a plastic box and contains 12 each of the most popular 18 screw sizes needed when working with scopes or sights. It also has a pair of chrome-plated tweezers with flat jaws for easily picking up the right screw and our handy, Checker/Shortener Jig that makes grinding screws to the right length fast and easy. The screws are made of high strength, forged tool steel, feature slotted-heads and are tempered and blued to rigid specifications. We suggest that should a screw need to be cut and fitted, it should be treated with rust-prohibitive OXPHO-BLUE™ before it is used to give it a highly rust-resistant, tough, blue coat to make your job look and wear better. The kit is available to you at a very substantial savings over the cost of buying the screws singly. It is an opportunity to have just the right, hard-to-find sight base screw when you need it, for only a minimal cost ... an advantage that will pay for itself time after time in repair or installation jobs.

Sight Base Screw Refil Pak, Weaver Oval, 6-48x3/16"

# Safety Instruction Guide for SIGHT BASE SCREW KIT BROWNELLS 648X3/16"

## Introduction

Thank you for choosing the SIGHT BASE SCREW KIT BROWNELLS 648X3/16". This product is designed to provide reliable performance and durability for your sight base installation needs. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the screws in a dry and safe place to prevent accidental ingestion or injury.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling screws.
- Avoid overtightening screws to prevent stripping or damaging the sight base.
- Ensure that the work area is clean and free of obstructions to prevent accidents.
- Use the correct size screwdriver to avoid slipping and damaging the screw or sight base.
- In case of any allergic reactions to materials, discontinue use and seek medical attention.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the SIGHT BASE SCREW KIT, a suitable screwdriver, and any additional mounting hardware.
- Ensure that the surface where the sight base will be installed is clean and dry.

### 2. Installation:

- Align the sight base with the predrilled holes on your firearm.
- Insert the appropriate size screw into the hole.
- Use the screwdriver to tighten the screw gently. Do not apply excessive force.
- Repeat the process for all screws provided in the kit.

### 3. PostInstallation:

- Check that all screws are securely fastened.
- Conduct a visual inspection to ensure that the sight base is properly aligned and stable.
- If any screws are found to be loose after installation, retighten them as necessary.

## Disposal Instructions

- Dispose of any unused screws and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of screws in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the SIGHT BASE SCREW KIT, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for support.

By following these safety instructions, you can ensure the safe and effective use of the SIGHT BASE SCREW KIT BROWNELLS 648X3/16". Thank you for your attention to safety!
