

# SIGHT BASE SCREW KIT - BROWNELLS 6-48X1/4" FILLISTER HEAD SIGHT BASE SCREW REFILL 12 PACK

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

## Slotted-Head Screws For All Scope & Sight Mounting Jobs

This Kit has been extremely popular with our customers for many years. The gunsmiths and dealers who do any type of sight work have found that they do not like to be without it. The slotted-head screws included in the kit cover at least 99% of all scope and iron sight mounting requirements. The Screw Kit is packed in a plastic box and contains 12 each of the most popular 18 screw sizes needed when working with scopes or sights. It also has a pair of chrome-plated tweezers with flat jaws for easily picking up the right screw and our handy, Checker/Shortener Jig that makes grinding screws to the right length fast and easy. The screws are made of high strength, forged tool steel, feature slotted-heads and are tempered and blued to rigid specifications. We suggest that should a screw need to be cut and fitted, it should be treated with rust-prohibitive OXPHO-BLUE™ before it is used to give it a highly rust-resistant, tough, blue coat to make your job look and wear better. The kit is available to you at a very substantial savings over the cost of buying the screws singly. It is an opportunity to have just the right, hard-to-find sight base screw when you need it, for only a minimal cost ... an advantage that will pay for itself time after time in repair or installation jobs.

## Attributes

- Name: [BROWNELLS 6-48X1/4" FILLISTER HEAD SIGHT BASE SCREW REFILL 12 PACK](#)
- Manufacturer: [BROWNELLS](#)

# **Safety Instructions for SIGHT BASE SCREW KIT BROWNELLS 648X1/4" FILLISTER HEAD SIGHT BASE SCREW REFILL 12 PACK**

## **Introduction**

Thank you for choosing the SIGHT BASE SCREW KIT from BROWNELLS. This kit is designed to provide you with the necessary screws for mounting scopes and sights securely. Please read and follow these safety instructions carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Always handle tools and screws with care to avoid injury.
- Inspect all screws and tools before use to ensure they are in good condition.
- Store the kit in a safe place out of reach of children and pets.
- Follow all instructions provided in this guide to minimize risks associated with the product.
- Be aware of your surroundings while using tools to avoid accidents.

## **Specific Safety Precautions for Use**

- Ensure you are using the correct screw size for your application to avoid stripping or damaging the mounting surface.
- Use the provided chromeplated tweezers to handle small screws to prevent dropping or losing them.
- When cutting screws to size, wear appropriate personal protective equipment (PPE) such as safety goggles to protect your eyes from metal shards.
- If using the Checker/Shortener Jig, ensure it is securely positioned before grinding screws to avoid slips or accidents.
- Always treat cut screws with rustprohibitive OXPHOBLUE™ as specified to enhance durability and prevent rust.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools including the SIGHT BASE SCREW KIT, tweezers, and any additional tools needed for your specific sight installation.
- Ensure your workspace is clean and organized to minimize distractions.

### **2. Selecting the Right Screw**

- Identify the screw size needed for your scope or sight.
- Use the slottedhead screws included in the kit, as they cover at least 99% of all mounting requirements.

### **3. Installing the Screw**

- Use the tweezers to carefully pick up the selected screw.
- Align the screw with the mounting hole and insert it gently.
- Use a screwdriver to tighten the screw securely, but do not overtighten to prevent damage.

### **4. Cutting Screws (if necessary)**

- If a screw needs to be cut, use the Checker/Shortener Jig to achieve the desired length.
- Grind the screw carefully, ensuring you are wearing safety goggles.
- After cutting, treat the screw with OXPHOBLUE™ to protect against rust.

## **5. Final Checks**

- Once all screws are installed, doublecheck that they are secure and properly aligned.
- Ensure that there are no loose screws left over after installation.

## **Disposal Instructions**

- Dispose of any damaged or unusable screws in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of screws in regular household waste if they may pose a hazard.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the SIGHT BASE SCREW KIT, please refer to the contact information provided on the product packaging or the retailer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the SIGHT BASE SCREW KIT. Thank you for your attention to safety, and happy mounting!
