

# **SIGHT BASE SCREW KIT - BROWNELL'S 8-40X1/4" FILLISTER HEAD SIGHT BASE SCREW REFILL 12 PACK**

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

## **Slotted-Head Screws For All Scope & Sight Mounting Jobs**

This Kit has been extremely popular with our customers for many years. The gunsmiths and dealers who do any type of sight work have found that they do not like to be without it. The slotted-head screws included in the kit cover at least 99% of all scope and iron sight mounting requirements. The Screw Kit is packed in a plastic box and contains 12 each of the most popular 18 screw sizes needed when working with scopes or sights. It also has a pair of chrome-plated tweezers with flat jaws for easily picking up the right screw and our handy, Checker/Shortener Jig that makes grinding screws to the right length fast and easy. The screws are made of high strength, forged tool steel, feature slotted-heads and are tempered and blued to rigid specifications. We suggest that should a screw need to be cut and fitted, it should be treated with rust-prohibitive OXPHO-BLUE™ before it is used to give it a highly rust-resistant, tough, blue coat to make your job look and wear better. The kit is available to you at a very substantial savings over the cost of buying the screws singly. It is an opportunity to have just the right, hard-to-find sight base screw when you need it, for only a minimal cost ... an advantage that will pay for itself time after time in repair or installation jobs.

Sight Base Screw Refil Pak, Fillister Head, 8-40x1/4"

# **Safety Instruction Guide for SIGHT BASE SCREW KIT BROWNELLS 840X1/4" FILLISTER HEAD SIGHT BASE SCREW REFILL 12 PACK**

## **Introduction**

Thank you for choosing the SIGHT BASE SCREW KIT BROWNELLS 840X1/4" FILLISTER HEAD SIGHT BASE SCREW REFILL 12 PACK. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper use of this product. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect screws before use for any signs of damage or wear.
- Keep the product out of reach of children and pets.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling screws.
- Do not use the screws for unintended purposes or in applications for which they are not designed.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- **Potential Hazards:**

- Sharp edges may exist on screws; handle with care to avoid cuts.
- Improper installation may lead to product failure or injury.

- **Avoiding Hazards:**

- Always ensure that the screwdriver or tool used is compatible with the screw head to prevent slipping.
- Use screws only in materials that are appropriate for their size and type.
- Do not overtighten screws as this may strip the threads or damage the installation material.

## **Instructions for Installation and Usage**

- **Installation:**

1. Select the appropriate screw size for your application (840x1/4").
2. Use a compatible fillister head screwdriver to ensure a secure fit.
3. Align the screw with the hole and insert it carefully.
4. Turn the screwdriver clockwise until the screw is snug, but do not overtighten.

- **Usage:**

- The screws are designed for secure attachment of sight bases. Ensure they are used in the correct application.
- Regularly check the screws for tightness and integrity during use, especially after heavy use or impact.

## **Disposal Instructions**

- Dispose of any unused screws in accordance with local regulations.
- Do not dispose of screws in regular household waste if local regulations prohibit it. Check with your local waste management authority for proper disposal methods.
- Recycle packaging materials where facilities exist.

## **Contact Information for Further Support**

For any questions regarding safety, usage, or disposal of the SIGHT BASE SCREW KIT, please consult the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the SIGHT BASE SCREW KIT BROWNELLS 840X1/4" FILLISTER HEAD SIGHT BASE SCREW REFILL 12 PACK. Thank you for your attention to safety.
