CELLUPLASTIC TUBES HANDY SHOP ASSORTMENT

Safety Instruction Guide

Introduction

Thank you for choosing the CELLUPLASTIC TUBES HANDY SHOP ASSORTMENT. This product is designed to protect your tools and small parts from damage, ensuring they remain in optimal condition. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to protect tools and small parts.
- Regularly inspect the tubes and caps for any signs of wear or damage.
- Keep the product out of reach of children to avoid accidental use or injury.
- Be aware of the materials used in the product, which include butyrate plastic that resists most oils and solvents.
- Report any unsafe product incidents to the relevant authorities and check for updates on recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- When cutting the tubes to length, use appropriate cutting tools and follow safety procedures to avoid injury.
- Ensure that the caps are securely fastened to prevent accidental opening or exposure to the contents.
- Avoid exposing the tubes and caps to extreme temperatures, as this may affect their integrity.
- If using the product in a workshop or industrial setting, ensure that it is stored in a safe and organized manner to prevent accidents.

Instructions for Installation and Usage

1. Cutting the Tubes:

- Measure the desired length for your application.
- Use a sharp utility knife or scissors to cut the tube cleanly.
- Ensure you are wearing safety gloves and goggles while cutting.

2. Attaching Caps:

- Select the appropriate cap size for your tube.
- Firmly push the cap onto the end of the tube until it fits snugly.
- Check that the cap is secure before placing the tube in storage.

3. Storing Tools and Parts:

- Place your tools or small parts inside the tube.
- Ensure that the items do not exceed the capacity of the tube.
- Label the tubes if necessary to easily identify contents.

4. Regular Maintenance:

- Periodically check the condition of the tubes and caps.
- Replace any damaged tubes or caps immediately to maintain safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in regular household waste if the materials are recyclable.
- Check with your local waste management authority for proper disposal methods for plastic materials.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or to report an incident, please refer to the appropriate channels as indicated by your retailer or manufacturer. Your safety is important, and we encourage you to reach out for assistance if needed.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with the CELLUPLASTIC TUBES HANDY SHOP ASSORTMENT.
