# Safety Instruction Guide for VINYL TUBE CAPS 3/8" (9.5MM) BLACK VINYL TUBE CAP 50 PACK

## Introduction

Thank you for choosing our VINYL TUBE CAPS. These molded vinyl caps are designed to fit over the top of our Celluplastic Storage Tubes, providing a tight and protective seal. This guide aims to ensure your safety and the proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children to prevent accidental ingestion or misuse.
- Regularly inspect the caps for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid exposure to extreme temperatures, as this may affect the integrity of the vinyl.
- Do not use the caps with incompatible substances that may cause chemical breakdown.
- Ensure the caps are securely fitted to prevent them from popping loose during use.
- Use caution when handling sharp objects near the caps to avoid puncturing or damaging them.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the storage tube is clean and dry before installing the cap.

### 2. Installation:

- Align the cap with the top of the storage tube.
- Press down firmly to ensure a tight fit. The cap should form a secure seal without any gaps.

### 3. Usage:

- Once installed, the cap will protect the contents of the storage tube from dust and contaminants.
- Regularly check the cap's fit and condition during use.

### 4. Removal:

- To remove the cap, gently twist and pull upwards to avoid damaging the cap or the storage tube.
- If the cap is stuck, do not use excessive force; instead, try gently wiggling it to loosen.

## Disposal Instructions

- Dispose of the vinyl caps in accordance with local regulations for plastic waste.
- Do not incinerate the caps, as this may release harmful substances.
- Recycle if facilities are available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the VINYL TUBE CAPS, please refer to the contact information provided on the packaging or your purchase receipt.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
