# Safety Instruction Guide for VINYL TUBE CAPS BROWNELLS 1"

## Introduction

Thank you for choosing the VINYL TUBE CAPS BROWNELLS 1". These molded vinyl caps are designed to provide a secure and protective seal for your Celluplastic Storage Tubes. This guide contains important safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children to prevent accidental ingestion or misuse.
- Regularly inspect the caps for any signs of wear or damage before use.
- If the product is damaged, discontinue use immediately.
- Do not expose the caps to extreme temperatures or harsh chemicals that may cause degradation.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid using the caps with substances that may cause chemical reactions, such as strong acids or bases.
- Do not force the caps onto tubes if they do not fit properly; this may cause damage to the cap or tube.
- Ensure that the caps are securely fitted to prevent them from popping loose during handling or transport.
- If using in a workshop or industrial setting, wear appropriate personal protective equipment (PPE).

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the Celluplastic Storage Tubes are clean and dry before applying the caps.
- Inspect both the tube and cap for any visible damage.

### 2. Installation

- Align the cap with the top of the tube.
- Gently press down on the cap until it fits snugly over the tube.
- Ensure that there is no gap between the cap and tube to maintain a tight seal.

### 3. Usage

- Once installed, the cap will provide a protective seal. Handle the tubes with care to avoid dislodging the cap.
- If removing the cap, gently twist and pull upwards to avoid damaging the tube or cap.

### 4. PostUsage

- After use, store the tubes with caps in a cool, dry place away from direct sunlight.
- Regularly check the condition of the caps and replace them if necessary.

## Disposal Instructions

- Dispose of the caps in accordance with local waste disposal regulations.

- Do not incinerate or expose to open flames.
- If the caps are no longer usable, consider recycling options where available.

## **Contact Information for Further Support**
