# Safety Instruction Guide for SILICON CARBIDE ABRASIVE GRIT BROWNELLS 120 GRIT SILICON CARBIDE ABRASIVE

## Introduction

Thank you for choosing Brownells Silicon Carbide Abrasive Grit. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read this guide thoroughly before using the abrasive grit.

## General Safety Guidelines

- Always use personal protective equipment (PPE) such as gloves, goggles, and dust masks when handling abrasive materials.
- Keep the product out of reach of children and pets to prevent accidental ingestion or injury.
- Ensure proper ventilation in the workspace to avoid inhalation of dust particles.
- Store the product in a cool, dry place, away from direct sunlight and moisture.
- Regularly check for product recalls or safety alerts via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid using the abrasive grit near open flames or high heat sources, as it may pose a fire hazard.
- Do not ingest the abrasive grit. If ingested, seek medical attention immediately.
- In case of skin contact, wash the area with soap and water. If irritation persists, consult a medical professional.
- If the abrasive grit comes into contact with eyes, rinse immediately with plenty of water and seek medical attention.
- Use appropriate tools and techniques to minimize dust generation during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the work area is clean and wellventilated.
- Gather all necessary tools and materials, including a soft pad and cutting oil if making a paste.

### 2. Making an Abrasive Paste:

- Mix the desired amount of abrasive grit with cutting oil to form a paste.
- Adjust the consistency as needed for your specific application.

### 3. Applying the Abrasive:

- Use a soft pad to apply the abrasive paste to the surface you wish to treat.
- For dry application, use the abrasive grit directly on a soft pad and rub it onto the surface.

### 4. Finishing:

- After achieving the desired finish, follow up with Brownells Stock Rubbing Compound for optimal results.
- Clean tools and work surfaces after use to prevent contamination.

## **Disposal Instructions**

- Dispose of any unused abrasive grit in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local hazardous waste disposal guidelines.
- Ensure that any containers used for mixing or applying the abrasive are disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using Brownells Silicon Carbide Abrasive Grit!
