Safety Instruction Guide for SILICON CARBIDE ABRASIVE GRIT BROWNELLS 600 GRIT

Introduction

Thank you for choosing the SILICON CARBIDE ABRASIVE GRIT BROWNELLS 600 GRIT. This product is designed for use in metalworking and finishing applications. It is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety instructions and information in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhalation of dust.
- Wear appropriate personal protective equipment (PPE) such as gloves, goggles, and a dust mask.
- Follow local regulations for the use and disposal of abrasive materials.
- In case of an emergency or accident, seek medical attention immediately.

Specific Safety Precautions for Use

- **Inhalation Hazard**: Avoid breathing in dust. Use a dust mask or respirator if necessary.
- **Skin Contact**: Wear gloves to prevent skin irritation or abrasions.
- **Eye Protection**: Always wear safety goggles to protect your eyes from dust and particles.
- **Fire Hazard**: Keep away from open flames and heat sources, as some materials may be flammable.
- **Storage**: Store in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. **Preparation**:

   - Ensure that the work area is clean and free of any flammable materials.
   - Gather all necessary tools and materials before starting the project.

2. **Mixing Abrasive Paste** (if applicable):

   - Combine the abrasive grit with cutting oil to create a paste.
   - Mix thoroughly until a uniform consistency is achieved.

3. **Application**:

   - For metal work, apply the abrasive paste to the surface needing finishing.
   - Use a soft pad to rub the paste into the metal surface in a circular motion.
   - For dry application, use the abrasive grit directly on a soft pad.

4. **Finishing**:

   - After achieving the desired finish, follow with Brownells Stock Rubbing Compound for best results.

5. **Clean Up**:

   - Clean the work area and tools after use to prevent contamination and accidents.

Disposal Instructions

- Dispose of any unused product and packaging in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or product information, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the SILICON CARBIDE ABRASIVE GRIT BROWNELLS 600 GRIT. Always prioritize safety and adhere to guidelines to minimize risks associated with the use of this product. Thank you for your commitment to safe practices.
