FELT BOB POLISHING KIT Safety Instruction Guide

Introduction

Thank you for choosing the FELT BOB POLISHING KIT by BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before using the kit.

General Safety Guidelines

- Ensure safe use of the FELT BOB POLISHING KIT by following these guidelines:
 - Always read and understand the instructions before use.
 - Keep the kit out of reach of children and vulnerable individuals.
 - Inspect all components for damage before use.
 - Use only as intended and according to the instructions provided.
 - Store the kit in a dry, secure location when not in use.
 - Be aware of your surroundings and ensure a safe working environment.

Specific Safety Precautions for Use

- To minimize risks while using the FELT BOB POLISHING KIT, follow these precautions:
 - Wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
 - Use the kit in a wellventilated area to avoid inhaling dust or particles.
 - Do not exceed the recommended speed limits for the tools used with the felt bobs.
 - Ensure that all attachments are securely mounted before use.
 - Avoid contact with moving parts to prevent injury.
 - Do not use the felt bobs on materials they are not designed for, as this may cause breakage or injury.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the FELT BOB POLISHING KIT:

1. Preparation:

- Gather all necessary tools and materials.
- Ensure your workspace is clean and organized.

2. Installation:

- Select the appropriate felt bob for your application.
- Attach the felt bob to the mandrel securely.
- Make sure the mandrel is compatible with your power tool.

3. Usage:

- Start the power tool at a low speed to ensure stability.
- Gradually increase the speed as needed for your application.
- Apply light pressure while polishing to avoid damaging the workpiece.
- Frequently check the felt bob for wear and replace it if necessary.

4. PostUse Care:

- Turn off and unplug the power tool before changing felt bobs or cleaning.

- Clean the felt bobs after use to remove any debris.
- Store the kit and its components in a safe, dry location.

Disposal Instructions

- Proper disposal of the FELT BOB POLISHING KIT components is essential:
 - Dispose of worn or damaged felt bobs in accordance with local regulations.
 - Check with your local waste management authority for guidance on disposing of materials safely.
 - Do not dispose of the kit in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or usage of the FELT BOB POLISHING KIT, please refer to the contact information provided with your product packaging or on the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience using the FELT BOB POLISHING KIT. Always prioritize safety and consult this guide whenever needed. Thank you for choosing our product, and happy polishing!
