Basic Engraver Set Selected By Author Of Art of Engraving

We asked James B. Meek, author of The Art Of Engraving for his recommendations. This is what he wrote: "Perhaps 90% of all the scroll work in engraving can be done with the following tools". Point Graver No. 4 will cut most scrolls. Fine detail is cut with 0 Point. Knife No. 2 is also for detail. The Square is perhaps the most widely used, can also be sharpened as a point, or a chisel, Flat Nos. 36 and 37, and Round Nos. 50 and 54 are needed for lettering on high relief. Kit contains: Point - Nos. 0 and 4; Square - (2) GlenSteel Blanks; Flat - Nos. 36 and 39; Knife - No. 2; Round - Nos. 50 and 54. 9 gravers total.

Attributes

- Name: [JAMES B. MEEK BEGINNER'S KIT](#)
- Manufacturer: [BROWNELLS](#)

JAMES MEEK'S BEGINNER'S KIT Safety Instruction Guide

Introduction

Thank you for choosing the JAMES MEEK'S BEGINNER'S KIT. This guide provides important safety instructions to ensure the safe use of this engraving tool set. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the tools as intended and according to the instructions provided.
- Keep the tools out of reach of children and vulnerable individuals.
- Inspect the tools before each use for any signs of damage or wear.
- Ensure a clean and organized workspace to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves.
- Be aware of your surroundings and avoid distractions while using the tools.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Point Graver No. 4:** Use with care to cut most scrolls. Avoid applying excessive pressure.
- **Fine Detail Graver (0 Point):** Handle gently for intricate designs; ensure it is sharp before use.
- **Knife No. 2:** Use for detail work only; keep fingers clear of the cutting path.
- **Square Graver:** Can be sharpened as a point or a chisel; ensure it is properly secured before use.
- **Flat Nos. 36 and 37, Round Nos. 50 and 54:** Use for lettering on high relief; maintain a steady hand to avoid slips.
- Always cut away from your body and keep hands away from the cutting area.

Instructions for Installation and Usage

1. Unpacking the Kit:

- Carefully remove all items from the packaging.
- Check that all components are included: Point Nos. 0 and 4; Square (2) GlenSteel Blanks; Flat Nos. 36 and 39; Knife No. 2; Round Nos. 50 and 54.

2. Setting Up the Tools:

- Select the appropriate graver for your project.
- Ensure the tool is securely held and positioned correctly before starting.

3. Using the Tools:

- Hold the tool firmly but comfortably.
- Use controlled movements to achieve the desired engraving detail.
- Take breaks as needed to maintain focus and prevent fatigue.

4. Cleaning the Tools:

- After use, clean the gravers with a soft cloth to remove any debris.
- Store the tools in a dry place to prevent rust and damage.

Disposal Instructions

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not throw tools in regular household waste. Check for recycling options for metal tools.
- Ensure all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of JAMES MEEK'S BEGINNER'S KIT, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable engraving experience with the JAMES MEEK'S BEGINNER'S KIT. Thank you for your attention to safety!
