

# STOCK REPAIR PIN KIT - STOCK REPAIR PINS 3/32" 12 PACK

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Repair Products](#) > [Stock Repair Pins](#)

## Use With ACRAGLAS~, ACRA-QUICK? or ACRA-20? For Stronger-Than-New Repairs On Cracked/Split Stocks

With this Kit, plus ACRAGLAS and a vari-speed drill, you can do quick, easy, sure-to-hold repair jobs on cracked or broken stocks. Pins go in easily, won't further split the stock; cannot pull or shoot out; can be cut off at any length. Made of "half-hard" brass alloy. 60° flat-top threads for best holding. After broken surfaces are coated with ACRAGLAS and clamped tightly, drill pin hole with drill provided. Coat pin with ACRAGLAS also, and run it into hole with vari-speed drill at slow speed. After cured, cut off and dress ends.

# STOCK REPAIR PIN KIT Safety Instruction Guide

## Introduction

Thank you for choosing the STOCK REPAIR PIN KIT. This guide provides essential safety instructions and information on the proper use of the product. Please read this guide thoroughly before using the kit to ensure safe and effective repairs.

## General Safety Guidelines

- Ensure the kit is used only for its intended purpose, which is to repair cracked or broken stocks.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using tools and materials.
- Keep the kit and all components out of reach of children and vulnerable individuals.
- Be aware of your surroundings and ensure a clear workspace to avoid accidents.
- If you experience any discomfort or adverse reactions while using the kit, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The use of power tools (varispeed drill) can pose risks such as cuts, lacerations, or eye injuries.
- ACRAGLAS is a chemical adhesive; avoid skin contact and inhalation of fumes.

### • Avoiding Hazards:

- Always follow the manufacturer's instructions when using the varispeed drill.
- Ensure proper ventilation when using ACRAGLAS to avoid inhaling fumes.
- Do not use the pins or drills for any purpose other than intended stock repairs.

### • Age Restrictions:

- This product is not recommended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials: STOCK REPAIR PIN KIT, ACRAGLAS, varispeed drill, and safety equipment.
- Ensure the work area is clean and welllit.

### 2. Repair Process:

- **Step 1:** Clean the broken surfaces of the stock to remove any debris.
- **Step 2:** Apply ACRAGLAS to the broken surfaces.
- **Step 3:** Using the drill provided, create a pin hole in the stock where the repair is needed.
- **Step 4:** Coat the repair pin with ACRAGLAS.
- **Step 5:** Insert the pin into the hole using the varispeed drill at a slow speed to avoid damaging the stock.
- **Step 6:** Once the adhesive has cured, cut off the excess pin length and dress the ends as necessary.

### 3. PostUse:

- Clean any tools and surfaces used during the repair process.
- Store the kit in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of any unused or expired ACRAGLAS in accordance with local regulations regarding chemical waste.
- Dispose of used pins and any other nonreusable components in regular waste, ensuring they are out of reach of children.

## Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective experience while using the STOCK REPAIR PIN KIT. Always prioritize safety and adhere to guidelines to prevent accidents and injuries. Thank you for your attention to these important safety measures.
