# Safety Instruction Guide for LONG 648 & 840 SCREWS

## Introduction

Thank you for choosing the LONG 648 & 840 Screws. This guide provides essential safety information and usage instructions to ensure your safety and the proper functioning of the product. Please read this guide carefully before using the screws.

## General Safety Guidelines

- Ensure that the screws are used only for their intended purpose.
- Keep screws out of reach of children to prevent accidental ingestion or injury.
- Inspect screws for any visible damage before use. Do not use damaged screws.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling screws.
- Store screws in a dry and safe place to avoid rust and other damage.

## Specific Safety Precautions for Use

- Use screws only with compatible materials and surfaces to ensure secure fastening.
- Do not exceed the recommended torque when installing screws to prevent stripping or breakage.
- Do not use screws that have been exposed to excessive moisture or chemicals, as this may weaken their integrity.
- If using power tools for installation, ensure that you follow the manufacturer's safety guidelines for the tools being used.
- Be cautious of sharp edges when handling screws, as they may cause cuts or injuries.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, such as a screwdriver or power drill, that are compatible with the screws.
- Ensure the work area is clean and welllit.

### 2. Installation:

- Choose the appropriate screw type based on the material and application.
- Pre-drill holes if necessary to prevent splitting or damaging the material.
- Align the screw properly with the hole and insert it straight to avoid cross-threading.
- Use a screwdriver or power drill to tighten the screw, ensuring not to overtighten.

### 3. PostInstallation:

- Check that all screws are securely fastened and that there are no gaps.
- Dispose of any unused or damaged screws responsibly.

## Disposal Instructions

- Dispose of screws in accordance with local waste management regulations.
- Do not dispose of screws in regular household waste if they are deemed hazardous.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the LONG 648 & 840 Screws, please contact your local retailer or manufacturer. Ensure that you have the product details available for reference.

By following these guidelines, you can ensure a safe and effective experience with your LONG 648 & 840 Screws. Thank you for your attention to safety!
