Safety Instruction Guide for LONG 648 & 840 SCREWS

Introduction

Thank you for choosing the LONG 648 & 840 Screws by Brownells. This guide provides essential safety instructions to ensure the safe use and handling of these screws. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents.
- Always inspect screws before use for any signs of damage or defects.
- Keep screws out of reach of children and vulnerable individuals.
- Use screws only for their intended purpose as specified in this guide.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp edges: Screws can have sharp edges that may cause cuts.
 - Small parts: Screws are small and can pose a choking hazard if swallowed.
- **Avoiding Hazards:**
 - Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling screws.
 - Do not use screws that are bent, rusted, or otherwise damaged.
 - Ensure that the work area is clean and free from clutter to avoid accidents.

Instructions for Installation and Usage

- **Preparation:**
 - Gather all necessary tools, including a screwdriver compatible with the screw head type (Phillips or Torx).
 - Ensure that the surface where screws will be installed is clean and dry.
- **Installation:**
 - Select the appropriate screw size and type for your application.
 - Align the screw with the predrilled hole and apply gentle pressure.
 - Use the screwdriver to turn the screw clockwise until it is securely fastened.
 - Avoid overtightening, which can damage the material being fastened.
- **Usage:**
 - Use screws only for mounting bases or similar applications as intended.
 - Always follow the manufacturer's recommendations for load limits and usage conditions.

Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in regular household waste if they can be recycled.
- Check with local waste management services for proper disposal methods.
