# Safety Instruction Guide for SOCKET HEAD SCOPE RING & BASE SCREW KIT 840X1/4"

## Introduction

Thank you for choosing the SOCKET HEAD SCOPE RING & BASE SCREW KIT 840X1/4". This guide provides important safety information and instructions for the safe use, installation, and disposal of the product. Please read this guide carefully to ensure safe handling and usage.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of this screw kit by following all instructions. Always use the product as intended.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, follow the provided instructions for returning or exchanging the product.
- **Online Shopping Protections:** If purchased online, ensure the seller complies with safety requirements similar to those of physical stores.
- **Consumer Focus:** Extra caution should be taken when children are present. Keep all small parts out of reach to prevent choking hazards.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Small parts may pose a choking hazard to children.
  - Improper installation may lead to equipment failure or injury.
- **Avoiding Hazards:**
  - Always inspect screws for damage before use.
  - Ensure that the correct screw size and type are used for your application.
  - Do not overtighten screws as this may strip threads or damage components.
  - Use appropriate tools to avoid injury during installation.

## Instructions for Installation and Usage

- **Installation Instructions:**
  1. Gather all necessary tools, including a 3/32" socket.
  2. Select the appropriate screw size based on your specific application (640, 648, or 840).
  3. Align the screw with the mounting hole and insert it carefully.
  4. Use the socket wrench to tighten the screw securely, but avoid overtightening.
  5. If a screw needs to be shortened, use the included Checker/Shortener Jig to grind it to the desired length safely.
- **Usage Instructions:**
  - Use screws only for their intended purpose in mounting scopes, rings, sights, or ribs.
  - Regularly check screws for tightness, especially after heavy use or exposure to recoil.
  - If you notice any signs of wear or damage, replace the screws immediately.

## **Disposal Instructions**

- Dispose of any unused or damaged screws in accordance with local regulations.
- Ensure that small parts are disposed of in a manner that prevents accidental ingestion by children or pets.
- Recycle packaging materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the SOCKET HEAD SCOPE RING & BASE SCREW KIT 840X1/4", please contact your retailer or the designated EU contact point. Always keep your purchase receipt for reference.

By following these guidelines, you can ensure safe and effective use of your SOCKET HEAD SCOPE RING & BASE SCREW KIT. Thank you for your attention to safety!
