Safety Instruction Guide for SOCKET HEAD SCOPE RING & BASE SCREW KIT

Introduction

Thank you for choosing the SOCKET HEAD SCOPE RING & BASE SCREW KIT by BROWNELLS. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damages or defects before use.
- Follow all instructions for installation and usage to avoid hazards.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the screws only with compatible bases (Redfield/Leupold).
- Avoid using damaged screws; replace any screws that show signs of wear or damage.
- Use appropriate tools when handling screws to prevent injuries.
- Wear safety glasses when installing screws to protect your eyes from debris.
- Ensure that all screws are securely tightened to avoid accidents during use.
- Be aware that any screw may require minor fitting; do not force screws into place.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a 3/32" socket wrench.
- Ensure you have a clean and welllit workspace.
- Lay out the screws and components for easy access.

2. Installation:

- Identify the base where the screws will be installed.
- Align the socket head screw with the predrilled hole in the base.
- Using the 3/32" socket wrench, gently turn the screw clockwise until it is snug.
- Do not overtighten, as this may damage the base or screw.

3. Usage:

- Once installed, ensure that the scope is securely mounted.
- Regularly check the screws for tightness, especially after heavy use.
- If you notice any movement or looseness, retighten the screws as necessary.

Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in regular household waste; check for recycling options.
- If the product is no longer needed, consider donating it to a local organization or recycling center.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety is our priority.
