# Safety Instruction Guide for SOCKET HEAD SCOPE RING & BASE SCREW KIT

## Introduction

Thank you for purchasing the SOCKET HEAD SCOPE RING & BASE SCREW KIT. This guide provides important safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle the screws with care to avoid injury.
- Ensure that the product is used in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for wear and tear on screws and other components.
- If you notice any damage or malfunction, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Sharp edges on screws may cause cuts or puncture wounds.
- Improper installation may lead to equipment failure or accidents.

### • Avoiding Hazards:

- Wear safety gloves and goggles when handling screws.
- Ensure the work area is clean and free from distractions.
- Use appropriate tools for installation to prevent slipping or injury.
- Do not overtighten screws, as this may damage the components or lead to breakage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before beginning.
- Ensure the workspace is welllit and organized.
- Review the compatibility of the screws with your specific bases and rings.

### 2. Installation Steps:

- Select the appropriate screw size and type for your application.
- Align the screw with the predrilled hole in the base or ring.
- Using a suitable tool, gently insert the screw into the hole.
- Tighten the screw until secure, but avoid overtightening.
- If necessary, use the Checker/Shortener Jig to adjust the length of any screw.

### 3. PostInstallation:

- Inspect the installation to ensure that all screws are properly fitted.
- Test the stability of the mounted components before use.
- Regularly check the screws for tightness and wear during routine maintenance.

## **Disposal Instructions**

- Dispose of any unused or damaged screws responsibly.
- Follow local regulations for the disposal of metal products.
- Do not dispose of screws in regular household waste if they are sharp or hazardous.

## **Contact Information for Further Support**

For any questions or concerns regarding the SOCKET HEAD SCOPE RING & BASE SCREW KIT, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective use of the SOCKET HEAD SCOPE RING & BASE SCREW KIT. Thank you for prioritizing safety!
