# Handgun Master Chamfering and Facing Combo Set Safety Instructions

## Introduction

Thank you for choosing the Handgun Master Chamfering and Facing Combo Set with Steel Pilots. This product is designed to assist in the chamfering and facing of handgun cartridges. It is essential to use this tool safely and correctly to ensure optimal performance and to avoid any accidents. Please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this tool.
- Keep the workspace clean and free from clutter to prevent accidents.
- Store the tool in a dry and secure location, out of reach of children and pets.
- Regularly inspect the tool for any signs of damage or wear. Do not use if damaged.
- Follow local laws and regulations regarding the use of tools and firearms.

## Specific Safety Precautions for Use

- Only use the Handgun Master Chamfering and Facing Combo Set for its intended purpose.
- Ensure that the tool is securely attached to the work surface before use.
- Do not attempt to use the tool if you are under the influence of alcohol or drugs.
- Keep hands and other body parts away from moving parts during operation.
- Ensure that the area is wellventilated to avoid inhalation of dust or debris.
- Always keep the tool away from flammable materials.
- If you experience any discomfort or abnormality while using the tool, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and tools before starting.
- Ensure that the Handgun Master Chamfering and Facing Combo Set is clean and free from debris.

### 2. Installation:

- Secure the tool to a stable workbench or surface using appropriate clamps or fixtures.
- Select the appropriate steel pilot for the caliber you are working with (e.g., .357, .410, .429, etc.).
- Insert the steel pilot into the designated slot in the tool and ensure it is firmly in place.

### 3. Usage:

- Adjust the angle of the tool to the desired degree (45, 79, or 90 degrees).
- Place the cartridge securely against the pilot and apply gentle pressure to chamfer or face the cartridge.
- Maintain a steady hand and avoid excessive force to prevent damage to the cartridge or tool.
- After use, clean the tool and remove any debris to maintain its effectiveness.

### 4. PostUsage:

- Carefully remove the steel pilot and store it in its designated place.
- Clean the workspace and ensure all tools are returned to their storage locations.

## Disposal Instructions

- Dispose of the Handgun Master Chamfering and Facing Combo Set in accordance with local regulations.
- If the tool is no longer usable, consider recycling parts where possible.
- Do not dispose of the tool with regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the Handgun Master Chamfering and Facing Combo Set, please consult the manufacturer's website or contact their customer service team for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Handgun Master Chamfering and Facing Combo Set. Thank you for prioritizing safety in your usage of this product.
