

# **90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS .22 RF MUZZLE (.211 )**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

## **Face Off & Square Up Rifle & Handgun Muzzles**

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

90\ Cutter & Steel Pilot fits .22 RF Muzzle (.211")

# Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Steel Pilot from Brownells. This tool is designed for precision barrel chamfering and is suitable for .22 RF muzzle applications. To ensure safe and effective use, please read this safety instruction guide thoroughly before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions when using this product.
- Ensure the tool is in good condition before each use. Inspect for any damage or wear.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the tool out of reach of children and vulnerable individuals.
- Do not use the tool for any purpose other than its intended use.
- Be aware of your surroundings and maintain a clear workspace while using the tool.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Handle the cutter and pilot with care to avoid cuts and injuries.
- Always use the tool on a stable surface to prevent slipping or accidents.
- Ensure that the cutter is securely attached to the handle before use.
- Avoid excessive force while using the tool to prevent breakage or injury.
- Do not use the tool if you are tired or under the influence of substances that may impair your judgment.
- Store the tool in a safe place after use to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and ensure your workspace is clean and organized.
- Wear appropriate PPE, including safety glasses and gloves.

### 2. Installation:

- Attach the cutter to the handle by aligning the cutter's fitting with the handle's opening.
- Ensure the cutter is securely fastened and does not wobble.

### 3. Usage:

- Position the muzzle securely on a stable surface.
- Hold the handle firmly and align the cutter with the muzzle.
- Apply gentle pressure while turning the cutter to chamfer the muzzle.
- Check your progress frequently to ensure an even cut.
- Once finished, carefully remove the tool from the muzzle.

### 4. After Use:

- Clean the tool to remove any debris or residue.
- Store the cutter and pilot in the provided polypropylene box to protect from damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in household waste. Check for local recycling programs for metal products.
- Ensure that any sharp edges are covered or wrapped to prevent injury during disposal.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Steel Pilot. Thank you for your attention to safety.
