# Safety Instruction Guide for 90° Muzzle Facing Cutters

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutters. This product is designed to help you faceoff and squareup barrel muzzles effectively. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the cutter for any damage or wear before each use. Do not use if damaged.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the cutter.
- Follow all local regulations and guidelines regarding the use of cutting tools.

## Specific Safety Precautions for Use

- **Hazard Identification:** The cutter has sharp blades that can cause cuts or injuries. Handle with care.
- **Avoid Contact:** Keep hands and body parts away from the cutting area while in use.
- **Secure Workpiece:** Ensure that the barrel or workpiece is securely held to prevent movement during cutting.
- **Proper Lighting:** Use the cutter in a welllit area to enhance visibility and accuracy.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the cutter.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the workspace is clean and organized.

### 2. Installation:

- Select the appropriate muzzle pilot for your cutter.
- Insert the muzzle pilot into the cutter until it is securely in place.

### 3. Usage:

- Align the cutter with the barrel muzzle.
- Apply steady and even pressure while turning the cutter to faceoff the muzzle.
- Check the progress frequently to ensure that the muzzle is being squared correctly.
- Once finished, remove the cutter and inspect the muzzle for any irregularities.

### 4. PostUsage Care:

- Clean the cutter and remove any debris after use.
- Store the cutter in a safe place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.

- Do not dispose of the cutter in regular household waste if it is damaged or contains sharp edges. Instead, take it to a designated waste facility.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the 90° Muzzle Facing Cutters. Thank you for your attention to safety!
