FACING & CHAMFERING TOOL HANDLE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BROWNELLS FACING & CHAMFERING TOOL HANDLE. This manual provides essential safety instructions to ensure safe and effective use of the tool. By following these guidelines, you can minimize risks and enjoy a safe experience while using this product.

General Safety Guidelines

- Ensure the tool is used only for its intended purpose.
- Always inspect the tool for damage before use. Do not use if damaged.
- Keep the tool out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves and safety glasses when operating the tool.
- Store the tool in a dry place, away from moisture and extreme temperatures.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Always hold the tool with a firm grip to avoid slipping.
- Use the tool on a stable surface to prevent accidents.
- Avoid wearing loose clothing or jewelry that may get caught in the tool.
- Do not exceed the recommended torque specifications when using the tool.
- Ensure that the area is welllit to avoid misjudgments during use.
- Avoid using the tool if you are tired or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the tool is clean and free from debris.
- Attach the tool handle to the appropriate fixture using the 1/4"20 thread.
- Tighten securely but do not overtighten, as this may cause damage.

2. Usage:

- Before using the tool, familiarize yourself with its operation.
- Position the workpiece securely to prevent movement during use.
- Apply even pressure while operating the tool to achieve consistent results.
- After use, clean the tool to maintain its condition and performance.

Disposal Instructions

- Dispose of the tool responsibly at a designated electronic waste recycling facility.
- Do not dispose of the tool in regular household waste.
- Follow local regulations for the disposal of metal and electronic products.

Contact Information for Further Support
