

SISAL WHEEL POLISH - BROWNELLS SISAL WHEEL POLISH FINE GRIT

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

The Right Grit And Base For Effective Sisal Wheel Polishing

Get fast cut and color on steel when used with Sisal Wheels. Alumina abrasive and tallow base loads easily and lasts longer without streaking or burning. Fine; Cuts and colors quickly, approximates a #240 Polish-O-Ray™ finish. Medium; for buffing and coloring out in one operation. Coarse; removes scratches and tool marks without excessive polishing.

SISAL WHEEL POLISH BROWNELLS SISAL WHEEL POLISH FINE GRIT Safety Instructions

Introduction

Thank you for choosing the SISAL WHEEL POLISH BROWNELLS SISAL WHEEL POLISH FINE GRIT. This guide provides essential safety instructions to ensure safe use of the product. Please read this manual carefully before using the product to understand the safety precautions and proper handling procedures.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves, goggles, and masks when handling the product.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Regularly check for any recalls or safety updates related to the product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Avoid skin contact with the product. If contact occurs, wash the area thoroughly with soap and water.
- In case of eye contact, rinse immediately with plenty of water for at least 15 minutes and seek medical attention if irritation persists.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Ensure adequate ventilation in the workspace to avoid inhalation of dust or fumes.
- Do not mix this product with other chemicals unless specified in the instructions.

Instructions for Installation and Usage

1. Preparation:

- Before using the polish, ensure that the Sisal Wheel is clean and free from debris.
- Shake the product well before use to ensure even consistency.

2. Application:

- Apply a small amount of the Sisal Wheel Polish onto the Sisal Wheel.
- Use the wheel at a low speed to avoid excessive heat buildup.
- Work on the steel surface in a consistent motion, allowing the polish to cut and color effectively.

3. PostApplication:

- After use, clean the Sisal Wheel with a brush to remove any residual polish.
- Store the polish in its original packaging and seal tightly.

Disposal Instructions

- Dispose of any unused or expired product according to local regulations.
- Do not pour the product down the drain or dispose of it in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please reach out to the manufacturer or consult the product packaging for further details.

Thank you for your attention to these safety instructions. Your safety is our priority.
