# SISAL WHEEL POLISH MEDIUM GRIT Safety Instruction Guide

## Introduction

Thank you for choosing the SISAL WHEEL POLISH MEDIUM GRIT by BROWNELLS. This guide provides essential safety instructions to ensure safe usage of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the product by following these guidelines.
- Be aware of risks associated with polishing compounds and take appropriate precautions.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear suitable personal protective equipment (PPE) such as gloves, safety goggles, and a dust mask when using the polishing compound.
- Use the product in a wellventilated area to avoid inhalation of dust and fumes.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other chemicals unless specified in the product instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be polished is clean and free of contaminants.
- Gather all necessary tools and safety equipment before starting.

### 2. Application:

- Apply a small amount of SISAL WHEEL POLISH to the Sisal Wheel.
- Use the Sisal Wheel on the steel surface with moderate pressure.
- Move the wheel in a consistent motion to achieve an even polish.
- Monitor the progress to avoid overpolishing or burning the surface.

### 3. PostUse:

- After polishing, clean the Sisal Wheel and any tools used.
- Dispose of any waste materials in accordance with local regulations.

## Disposal Instructions

- Dispose of the product packaging and any waste materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the SISAL WHEEL POLISH, please refer to the official BROWNELLS website or contact their customer service.

By following these safety instructions, you can ensure a safe and effective experience with SISAL WHEEL POLISH MEDIUM GRIT. Thank you for your attention to safety.
