# RIFLE POLISHING SYSTEM BROWNELLS 38 CALIBER 800 GRIT CHAMBER HONE Safety Instruction Guide

## Introduction

Thank you for choosing the RIFLE POLISHING SYSTEM BROWNELLS 38 CALIBER 800 GRIT CHAMBER HONE. This product is designed to effectively polish rough or scored chambers, ensuring smooth and frictionfree operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use.
- If you experience any issues or accidents while using the product, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only with Flex Hone Oil to achieve optimal results and ensure safe operation.
- Do not use the product if it is damaged or if the abrasive material is worn out.
- Avoid inhalation of dust generated during the polishing process. Use in a wellventilated area.
- Do not exceed the recommended usage time to prevent overheating and potential damage to the chamber.
- Follow the manufacturer's instructions for the proper technique and duration of use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the RIFLE POLISHING SYSTEM, Flex Hone Oil, safety goggles, and gloves.
- Ensure the workspace is clean, wellventilated, and free of any hazards.

### 2. Installation:

- Attach the appropriate long shank for your caliber:
  - .223/5.56 8 inches (20 cm)
  - .38/.357/.44/.45 14 inches (35.5 cm)
- Ensure the attachment is secure before proceeding.

### 3. Application:

- Apply a generous amount of Flex Hone Oil to the chamber and the abrasive balls.
- Insert the hone into the chamber and operate according to the manufacturer's instructions.
- Move the hone slowly and steadily to ensure even polishing.

### 4. PostUse:

- After use, clean the chamber thoroughly to remove any remaining abrasive particles.

- Inspect the hone for any signs of wear or damage.
- Store the product in a safe and dry location, away from children.

## **Disposal Instructions**

- Dispose of any used or damaged products in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's website or customer support resources.

Thank you for your attention to these safety guidelines. Your safety is our priority.
