FLEX HONE OIL BRUSH RESEARCH MFG. CO., INC.

1/2 PINT FLEX HONE® OIL Safety Instructions

Introduction

Thank you for choosing the FLEX HONE® OIL from Brush Research MFG. Co., Inc. This product is specially formulated for use with Flex Hones and is designed to provide optimal performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Always keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified by the manufacturer.
- Be aware of potential hazards associated with the product, including flammability and skin irritation.
- Regularly check for updates on product safety and recall information via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the oil.
- Avoid skin contact. If contact occurs, wash the affected area with soap and water immediately.
- Do not ingest the oil. If ingested, seek medical attention immediately.
- Ensure adequate ventilation in the work area to avoid inhalation of fumes.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other oils or chemicals, as this may cause harmful reactions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the work area is clean and free from any potential hazards.
- Gather all necessary tools and equipment before starting.

2. Using the FLEX HONE® OIL:

- Shake the container well before use to ensure proper mixing of the oils.
- Apply a small amount of FLEX HONE® OIL to the Flex Hone as per the manufacturer's instructions.
- Use the Flex Hone according to the specific guidelines provided in the product manual.

3. Post Use:

- After using the product, clean any spills immediately to prevent slipping hazards.
- Dispose of any used materials in accordance with local regulations.

Disposal Instructions

- Dispose of the FLEX HONE® OIL container and any unused oil in accordance with local hazardous waste disposal regulations.
- Do not pour leftover oil down the drain or on the ground, as it may harm the environment.

Contact Information for Further Support

For any questions or concerns regarding the FLEX HONE® OIL, please refer to the contact information provided on the product packaging or the manufacturer's website. It is important to have access to assistance for any safety inquiries.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with the FLEX HONE® OIL. Stay safe!
