

REVOLVER RANGE RODS - BROWNELLS REVOLVER RANGE ROD COMBO FOR .32-20

[Gunsmith Tools](#) > [Handgun Tools](#) > [Alignment Tools](#) > [Range Rods](#)

Tells Instantly If Barrel & Cylinder Are In Perfect Alignment-Match & Service Grade Available

Lets you know instantly if a revolver barrel and cylinder are in perfect alignment and if cylinder crane or yoke has been sprung, thus throwing axis of each out of line with axis of barrel bore . . . for timing - "accuracy jobs" . . . locating cause of lead splatter . . . professional service inspections. An excellent tool to use when demonstrating to a customer "why"! The handle with knurled grip end is threaded to take any of the interchangeable heads, with sizes carefully selected to indicate very small misalignments. The .38 caliber heads are available in two diameters, one for Match guns that must be dead on for best performance and one for Service guns which aren't always thoroughly clean and don't have to meet quite as fine an accuracy standard. And, there's a special head for the S&W K-22 which has a slightly undersized bore.

Attributes

- Name: [BROWNELLS REVOLVER RANGE ROD COMBO FOR .32-20](#)
- Manufacturer: [BROWNELLS](#)

REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .3220 Safety Instruction Guide

Introduction

Thank you for choosing the REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .3220. This product is designed to help you ensure the proper alignment of revolver barrels and cylinders, enhancing accuracy and safety during use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always handle firearms and related equipment responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the revolver is unloaded before using the range rod.
- Do not use the range rod in a loaded firearm.
- Use the range rod only with compatible revolver calibers as specified in the product details.
- Be cautious of sharp edges on the range rod heads; handle with care to avoid injury.
- Avoid using excessive force when inserting or removing the range rod heads to prevent damage.
- Ensure that the area around you is clear of obstructions and bystanders when using the product.

Instructions for Installation and Usage

1. Preparation

- Ensure that the revolver is completely unloaded.
- Gather the necessary components: the handle, the appropriate head for your caliber, and the instructions.

2. Attaching the Head

- Select the appropriate head for your revolver caliber.
- Align the threaded end of the head with the handle.
- Gently screw the head onto the handle until it is securely fastened. Do not overtighten.

3. Using the Range Rod

- Insert the range rod into the revolver barrel, ensuring that it passes through the cylinder.
- Check for alignment by observing the fit of the range rod within the barrel and cylinder.
- If misalignment is detected, inspect the revolver for potential issues such as a sprung cylinder crane or yoke.

4. Removing the Range Rod

- Carefully unscrew the head from the handle.
- Gently withdraw the range rod from the revolver barrel and cylinder.
- Store the range rod and heads in a safe location after use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding the safety or use of the REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .3220, please refer to the contact information provided on the packaging or user manual.

By following these safety instructions, you can ensure a safer experience while using the REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .3220. Thank you for your attention to safety.
