

REVOLVER RANGE RODS - BROWNELLS REVOLVER RANGE ROD COMBO FOR .44/40

[Gunsmith Tools](#) > [Handgun Tools](#) > [Alignment Tools](#) > [Range Rods](#)

Tells Instantly If Barrel & Cylinder Are In Perfect Alignment-Match & Service Grade Available

Lets you know instantly if a revolver barrel and cylinder are in perfect alignment and if cylinder crane or yoke has been sprung, thus throwing axis of each out of line with axis of barrel bore . . . for timing - "accuracy jobs" . . . locating cause of lead splatter . . . professional service inspections. An excellent tool to use when demonstrating to a customer "why"! The handle with knurled grip end is threaded to take any of the interchangeable heads, with sizes carefully selected to indicate very small misalignments. The .38 caliber heads are available in two diameters, one for Match guns that must be dead on for best performance and one for Service guns which aren't always thoroughly clean and don't have to meet quite as fine an accuracy standard. And, there's a special head for the S&W K-22 which has a slightly undersized bore.

REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .44/40 Safety Instruction Guide

Introduction

Thank you for choosing the REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .44/40. This product is designed to assist in ensuring the proper alignment of revolver barrels and cylinders, which is crucial for accuracy and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the working area is clean and free of distractions.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not force the handle or heads if they do not fit properly; this may cause damage or injury.
- Avoid using the product on firearms that are loaded or have ammunition present.
- Ensure that the revolver is unloaded and in a safe condition before using the range rod.
- Use only the heads specifically designed for this range rod to prevent misalignment or damage.
- Do not attempt to modify or repair the product; seek professional assistance if needed.

Instructions for Installation and Usage

1. Preparation:

- Ensure the revolver is unloaded and in a safe condition.
- Gather all necessary components: the handle, the selected head, and any tools if required.

2. Attaching the Head:

- Select the appropriate head for your revolver caliber.
- Align the head with the threaded end of the handle.
- Gently screw the head onto the handle until securely fastened.

3. Using the Range Rod:

- Insert the range rod into the revolver barrel carefully.
- Check for alignment by observing the position of the cylinder in relation to the barrel.
- If misalignment is detected, further inspection and adjustment of the revolver may be necessary.

4. PostUse Care:

- Remove the range rod from the revolver after use.
- Clean the range rod and heads as per the manufacturer's recommendations.
- Store the product in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components when possible.

Contact Information for Further Support

For any questions or concerns regarding the use of the REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .44/40, please refer to the manufacturer's website or contact their customer support for assistance. Always keep the product manual and safety instructions for future reference.

By following these guidelines and instructions, you can ensure the safe and effective use of your REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .44/40. Thank you for prioritizing safety and performance in your shooting activities.
