

# REVOLVER RANGE RODS - BROWNELLS REVOLVER RANGE ROD COMBO FOR .17 CALIBER

[Gunsmith Tools](#) > [Handgun Tools](#) > [Alignment Tools](#) > [Range Rods](#)

## Tells Instantly If Barrel & Cylinder Are In Perfect Alignment-Match & Service Grade Available

Lets you know instantly if a revolver barrel and cylinder are in perfect alignment and if cylinder crane or yoke has been sprung, thus throwing axis of each out of line with axis of barrel bore . . . for timing - "accuracy jobs" . . . locating cause of lead splatter . . . professional service inspections. An excellent tool to use when demonstrating to a customer "why"! The handle with knurled grip end is threaded to take any of the interchangeable heads, with sizes carefully selected to indicate very small misalignments. The .38 caliber heads are available in two diameters, one for Match guns that must be dead on for best performance and one for Service guns which aren't always thoroughly clean and don't have to meet quite as fine an accuracy standard. And, there's a special head for the S&W K-22 which has a slightly undersized bore.

# **Safety Instruction Guide for REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .17 CALIBER**

## **Introduction**

Thank you for choosing the REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .17 CALIBER. This product is designed to assist in ensuring the proper alignment of revolver barrels and cylinders, which is essential for accuracy and safety. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Always handle the product with care to avoid injury or damage.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure that the revolver is unloaded before using the range rod.
- Use the range rod only with compatible calibers as specified in the product description.
- Do not force the range rod into the barrel or cylinder; this may cause damage.
- Avoid using the range rod if it shows signs of wear or damage.
- Always wear appropriate safety gear, such as eye protection, when using the product.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the revolver is unloaded and pointed in a safe direction.
- Gather all components: the handle, the appropriate head, and instructions.

### **2. Attaching the Head:**

- Select the appropriate head for your caliber.
- Thread the head onto the handle until securely attached.

### **3. Using the Range Rod:**

- Insert the range rod into the revolver barrel gently.
- Observe the alignment of the barrel and cylinder.
- Rotate the cylinder to check for any misalignment.

### **4. PostUse:**

- Carefully remove the range rod from the barrel.
- Clean the range rod as necessary to maintain its condition.
- Store the range rod in a safe place, away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please consult the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you will ensure a safe and effective experience with the REVOLVER RANGE RODS BROWNELLS REVOLVER RANGE ROD COMBO FOR .17 CALIBER. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
