

# REVOLVER RANGE RODS - REVOLVER RANGE ROD COMBO FOR .44/44 MAGNUM

[Gunsmith Tools & Supplies](#) > [Handgun Tools](#) > [Alignment Tools](#) > [Range Rods](#)

## Tells Instantly If Barrel & Cylinder Are In Perfect Alignment-Match & Service Grade Available

Lets you know instantly if a revolver barrel and cylinder are in perfect alignment and if cylinder crane or yoke has been sprung, thus throwing axis of each out of line with axis of barrel bore . . . for timing - "accuracy jobs" . . . locating cause of lead splatter . . . professional service inspections. An excellent tool to use when demonstrating to a customer "why"! The handle with knurled grip end is threaded to take any of the interchangeable heads, with sizes carefully selected to indicate very small misalignments. The .38 caliber heads are available in two diameters, one for Match guns that must be dead on for best performance and one for Service guns which aren't always thoroughly clean and don't have to meet quite as fine an accuracy standard. And, there's a special head for the S&W K-22 which has a slightly undersized bore.

# REVOLVER RANGE RODS COMBO SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the REVOLVER RANGE RODS COMBO for .44/44 Magnum. This product is designed to help ensure the proper alignment of revolver barrels and cylinders, enhancing accuracy and safety during use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle the REVOLVER RANGE RODS with care. Follow all safety protocols associated with firearms.
- Ensure the revolver is unloaded before using the range rods.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the range rods for any signs of wear or damage before each use.
- Use the product only for its intended purpose as described in this manual.

## Specific Safety Precautions for Use

- Do not use the range rods if you notice any damage or if the components are not functioning properly.
- Ensure that the interchangeable heads are securely attached to the handle before use.
- Avoid applying excessive force while using the range rods to prevent damage to the firearm or the tool.
- Be cautious when demonstrating the product to others; ensure they are aware of the safety protocols.
- If you are unfamiliar with the use of the range rods, seek guidance from a knowledgeable professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the revolver is unloaded and in a safe working environment.
- Gather the REVOLVER RANGE RODS COMBO, including the handle and the appropriate head for your firearm.

### 2. Attaching the Head:

- Select the appropriate head for your caliber. For .44/44 Magnum, use the designated head.
- Thread the selected head onto the handle until it is securely fastened.

### 3. Using the Range Rod:

- Insert the range rod into the revolver's barrel.
- Check for alignment by observing the position of the cylinder in relation to the barrel.
- If misalignment is detected, consult a professional gunsmith for further inspection and correction.

### 4. Demonstration:

- When demonstrating to customers, explain the importance of barrel and cylinder alignment for accuracy and safety.
- Show how to properly use the range rods without compromising safety.

### 5. PostUse Care:

- After use, remove the head from the handle.

- Clean the range rods as needed, following the manufacturer's recommendations.
- Store the range rods in the fitted storage box to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the REVOLVER RANGE RODS COMBO, please consult the manufacturer's website or customer service resources for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your REVOLVER RANGE RODS COMBO. Thank you for prioritizing safety and accuracy in your firearm practices.
