Prevent Those Beautiful Round-Headed Pins From Flat-Topping

CUP TIP PUNCHES The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

Description and Features: **Specialized Design:** The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads. **High-Quality Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

Variety of Sizes: The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

Available Sets: Brownells offers these cup tip punches in several sets to suit different needs: **Set A:** Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). **Set B:** Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). **Set C:** Contains punches #1 through #6, providing a comprehensive range for various applications. **Set D:** Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set.

Specifications: **Punch Diameters:** #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

Customer Insights: Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

Safety Instruction Guide for CUP TIP PUNCHES

BROWNELLS CUP TIP PUNCH MODEL 1

Introduction

Thank you for purchasing the CUP TIP PUNCHES BROWNELLS CUP TIP PUNCH MODEL 1. This guide provides essential safety information to ensure your safe and effective use of the product. Please read this manual thoroughly before using the punches to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Always use the punches in accordance with the manufacturer's instructions.
- Inspect the punches before each use for any signs of damage or wear. Do not use damaged tools.
- Keep the punches out of reach of children and vulnerable individuals to prevent accidents.
- Ensure that you are using the correct punch size for your application to avoid damage to the pins or the tool.
- Store the punches in a dry, cool place, ideally in the provided Delrin® bench block, to maintain their condition.
- In case of any accidents or injuries, seek medical attention immediately.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punches.
- Avoid using excessive force while using the punches to prevent injury or damage to the tool.
- Do not use the punches for any purpose other than intended, as this may lead to accidents or tool failure.
- Ensure that the work area is clean and free from clutter to avoid tripping or slipping hazards.
- If you are inexperienced in using such tools, consider seeking guidance from a knowledgeable individual before use.

Instructions for Installation and Usage

1. Selecting the Right Punch:

- Identify the size of the pin you will be working with.
- Choose the corresponding punch from the set. Refer to the specifications for sizes:
 - .057 in (1.44 mm) Long
 - .066 in (1.7 mm) Long
 - .072 in (1.8 mm) Long
 - .040 in (1 mm) Short
 - .050 in (1.3 mm) Short
 - .050 in (1.3 mm) Long
 - 3 mm (.118 in) Long
 - 3 mm (.118 in) Short

2. Using the Punch:

- Place the punch over the pin you intend to work on.
- Apply a controlled amount of pressure directly downwards to ensure a clean fit without flattening the pin top.
- If you experience resistance, stop and reassess. Do not force the punch.

3. Cleaning and Maintenance:

- After use, clean the punches with a dry cloth to remove any debris or residue.
- Store the punches in the Delrin® bench block to keep them organized and protected.

Disposal Instructions

- Dispose of any damaged punches responsibly according to local regulations.
- If the punches are still functional but no longer needed, consider donating them or offering them to someone who can use them.

Contact Information for Further Support

For any safety inquiries or additional support regarding the CUP TIP PUNCHES BROWNELLS CUP TIP PUNCH MODEL 1, please refer to the EU contact point provided with your purchase.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with the CUP TIP PUNCHES BROWNELLS CUP TIP PUNCH MODEL 1. Always prioritize safety and do not hesitate to seek help if you are unsure about any aspect of using the product. Thank you for your attention to these guidelines.
